**Feedback Analysis
Academic year 2022-2023**

Preamble: -

Feedback Mechanism is the most important aspect of every educational institution. Performance of the institution is easily reflected through this mechanism. Feedback Mechanism is requisite to apprehend whether the college is performing well and imparting quality education. Keeping this view, the college made a policy decision to collect feedback from all stakeholders including students, teachers and alumni. It is the vision of the college to work for overall development of the people and its mission is to provide multiple platforms to students in order to seek their comprehensive development; therefore, it is necessary to know whether the students are getting better facilities, quality education and support from the college. It is a proper device and a reliable tool to understand the areas for future development. The feedback Mechanism is the showcase of the actual quality of teaching-learning and evaluation process, enabling identification of the strengths of teaching as well as the possible improvement. Students' feedback has been framed by the Internal Quality Assurance Cell of the college, considering the varied instruction style and courses taught in different programs. A direct link to the survey or offline feedback form is provided to the students and response is obtained from them.

Aims & objectives: -

- ⇒ To facilitate the development of self-assessment in teaching-learning and evaluation process.
- ⇒ To provide opportunities to close the gap between current and desired performance.
- ⇒ To identify areas for improvement as well as commending them for evident achievement.
- ⇒ To know the strength and weakness for better performance.
- ⇒ To develop students' self-awareness about the institution.
- ⇒ To deliver good performance and impart quality education.

Role of stakeholders: The feedback form and Students Satisfaction Survey form are circulated to the stakeholders i.e., students, alumni and teachers. They register their responses about the various aspects of the college and give their valuable suggestions if needed.

Method of collecting feedback: At the end of every academic year, students' feedback is conducted. Duly filled feedback forms are analyzed on the basis of responses registered by the stakeholders. A Report is prepared as per the analysis under various following heads;
