1. Name of Organising Department : English
2. Name of Activity : One Day Workshop (Topic- Power of Positive Thinking}
3. No. of Participants : Students- 94, Teachers -12
4. Date of Activity : 4th October, 2023

Details of Activity (In Brief):

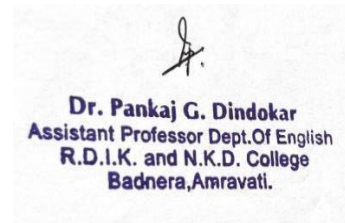

Department of English during the session 2023-2024 organized one Day Workshop on the topic “Power of Positive Thinking” on 4th of October, 2023. The main objective of this workshop “Power of Positive Thinking” was to focus specifically on helping the participants to break-through to the next level of both personal and professional achievement, master the ability to cope up the obstacles and apply positive thinking, goal setting and success-focused attitudes and to make students aware about optimism, positivity, hard work, brain controlling etc. So that they could achieve success in career and life. Motivational and soft skilled trainer *Prof. Shivaji Kuche* was the Key-note speaker of the workshop. In the first hour session he discussed about how to face Negative thinking, anxiety, stress, frustration, how to deal with depression and what is role of positive thinking in our life to eradicate all these things. He also threw light on how Positive thinking can improve mental and physical health, increase self-esteem and confidence, improve relationships, and enhance problem-solving skills. In the second hour session Kuche sir took Meditation session for peacefulness of mind which is the need of an hour. He also stated an importance of meditation that by meditating regularly, students can develop the ability to cope with stress and can maintain calm in pressurizing situations. This quality boosts their emotional competency, confidence, self-esteem, and willpower. Meditation can aid individuals with exam jitters. Both the sessions were interactive from both the sides. Dr. Pankaj Dindokar introduced an objective of the workshop. Dr. Pooja Deshmukh anchored the event and conduct a vote of thanks while Mrs. Devashree Hirulkar and Ms. Aparna Dongare helped throughout an event to make an event successful one.

Outcome of the Programme:

1. Students are motivated with positive mindset which will enable them to achieve what they want in their life.
2. Students learnt stronger problem solving and decision-making skills. It lowered level of anxiety and depression in students and increased creativity.

3. It created positive thinking which releases negative thoughts and emotions that increased their self-belief and confidence.
4. After positive thinking students approach to unpleasantness became more positive and productive. Positive thinking often starts with self-talk. Self-talk is the endless stream of unspoken thoughts that run through your head which enables students to achieve their goal with more firmness.
5. Now Students can look for solutions and expect to find them. They don't ignore or don't get afraid of problems, but instead of complaining about them or letting them overpower them, they actively look for solutions to overcome them.
6. Students got benefited with both physical and mental well-being. Now they can cope up better with stress.
7. Students confidence level increased due to positive mindset which is helpful for their overall development.

1. Name of Organising Department : **English**
2. Name of Activity : Study Tour (Gharkul Masala Industry)
3. Place of Activity : Gharakul Masale Industry
4. 5. No. of Participants : Students-26, Teachers -2

Details of Activity (In Brief):

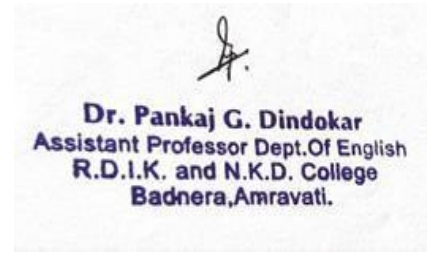

English department organized study tour to “Gharakul Masale Industry” on 29th of April,2023 at 10:30 am under the supervision of HOD of English department Dr.P.G.Dindokar and Mrs. Devashree Hirulkar. 26 students of B. Com First year were present to this study tour. The purpose of this study tour was to make student aware about the mechanism of industry, to give them knowledge about the Masala Industry process and management, their financial and manual administration etc. Being a commerce student, they took a great effort to understand every aspect of Gharakul Masala Industry administration. Students examined whole industry with great interest. Administrative chief gave detail knowledge of industry to students. Students also asked questions to them related to administration and process and they were satisfied with the answers. Thus, students’ **entrepreneurship skill** got enhanced and they are encouraged to become an entrepreneur.

Outcome of The Programme:

- Students were encouraged to think critically about the information and experiences they are exposed to.
- Students were provided with the opportunity to take on leadership roles and responsibilities, helping to develop their leadership skills.
- Students learnt about masala industry working mechanism, their technique, management, financial planning, marketing strategies, product supply etc.
- They are exposed to real-life situations, which can help them develop critical thinking skills and make informed decisions. They can learn about different cultures, lifestyles, and perspectives by visiting new places and interacting with people from diverse backgrounds.
- They are offered s with the perfect informal setup for dialogues, discussion and innovative experiences which developed their various life skills, such as team building, time management, communication skills, decision making creative and critical thinking etc.
- Students got better experience through experiential learning than regular class room. They are better able to connect theories and knowledge learned in the classroom to real-world situation.
- On educational tour students broaden the understanding of every aspect of the place and its people. Students gain first hand experiences and which allows teachers to expand the topic which is not possible during the normal class.

- Educational tours are a valuable educational tool that helps students learn about the world and build lasting memories.

1. Name of organizing Department : **Department of Botany**
2. Name of Activity : Workshop on Time Management, Competitive
3. No. of Participants : Exam and Soyabean Breeding
Students- 48, Teacher- 08
4. Date of Activity : 27thSeptember 2022

Details of Activity:

The department of Botany organized an inauguration program for B. Sc. I., B. Sc. II and B. Sc. III students. The chief guest of the program was Dr. P. V. Khandve Vice Principal Prof. Ram Meghe college of Engineering and Management, Badnera Amravati addressed the students about effective utilization of their six hours in a day can make them outstanding professionals and contribute to the development of the society. He also gave the information about how to prepare for UPSC exams.

President Dr. R. D. Deshmukh Principal, addressed the students gathering and enlighten the students on taking career as botanical illustrator. Later the session was addressed by Dr. Gajanan D. Chandankar, Soyabean Breeder, AICRP on Soyabean, Dr. PDKV, Regional Research Centre, Morshi road, addressed the parents of all B. Sc. Students and demonstrated information about Soyabean crop. Botanical Society was formed by the department.

Dr. P. V. Khandave guided the students for utilization of time and its management. They said that time management is the process of organizing and planning how to divide your time between activities. get it right and you shall end up working matters, not hard, to get more done in. less time even time is tight and pressure are high. The highest achievers manage their time exceptionally well. He also stressed on decisions making, a skill that can help make choices that are necessary and healing for everyone. It is an active process that requires you to take responsibility for yourself, your life and your own happiness.

He also gives effective ways to tackle the issue of time.

- 1) Time is limited- there are only 24 hours in a day you must first recognize the importance of finding way to manage this limited time.
- 2) To accomplish more with less effort, he said that by bring strategic plan you can effectively schedule and implement your plan.

- 3) Improve decision making ability. Your decision-making skills are more likely to subside and you start to depend more on jumping to conclusions without fully considering every option. Also, he talked about.
- 4) Provide more learning opportunities.
- 5) Promote self-discipline.

He also focused on preparation of UPSC exams.

- 1) Understand the exam pattern and syllabus.
- 2) Build a strong foundation with NCERT books
- 3) Join UPSC exam coaching or prepare a study plan to study at home.
- 4) Read newspaper for current affairs.
- 5) Practice with mock tests and focus on answer writing skills. He told that UPSC exams cannot be cracked by just being a bookworm. The last stage in the UPSC exam process is the personality test round, where in the UPSC board would interview the candidate for assessing his/ her personality and its suitability for a career in the services. This requires an all-round development of the individual apart from academic knowledge.

Dr. P. V. Khandve also guided the students about scholarship for UPSC aspirants. Scholarship for UPSC aspirants is helpful for candidate coming from poor financial backgrounds. The central government, various state government and some NGOs aspirants.

Scholarship by central government.

The department of social justice and empowerment launched scholarship for schedule caste (Sc) and OBC.

IGNOU provide scholarship for UPSC aspirants through the IGNOU 'free coaching initiative.

Scholarship by state government launched Mukhyamantri Anuprate Coaching Yojana in 2021 to provide scholarship for UPSC aspirants.

Madhya Pradesh Government, Uttar Pradesh Government, Tamil Nadu, in collaboration with Anna Institute of Management Chennai.

The Maharashtra government has launched Scholarship a sum of RS. 10,000 per month is given to every selected candidate for their stay during coaching time period.

He told the main purpose of UPSC exam is to purpose candidate to asses extensive knowledge and comprehensive across various fields. Students interacted with the Dr. Khandve sir and solve their quarries about the UPSC exams. He gave satisfactory answers and make them understood all the quarries.

After the session was addressed by Dr. Gajanan D. Chandekr, a soyabean breeder. He shared the information about different varieties of soyabean; AMS 100-39 (PDKV) Amba. Its maturity duration (Days) 94-96 average yield 28-30 q/ha. , oil content 20.5% and Protein content 44%. It has shown moderately resistance to girdle beetle and stem fly and charcoal rot disease.

Recommended area: central zone (Maharashtra, MP, Rajasthan, Gujarat, Bundelkhand region of UP).

AMS- 100 (PDKV yellow gold is a high yielding mutant of Js 93-05. AMS100 multiplication traits have recorded 36.015, 30.58% and 33.82% increase yield over JS335, JS 97-52 and MAUS-71 respectively. This culture shown highly resistant reaction to charcoal –rot and YMV diseases. It has medium maturity duration, determinate growth, habit, purple flower, glabrous pods. Considering its yield. Superiority and resistance diseases the SVRC has released this culture as AMS-100/ (PDKV Yellow Gold) for Maharashtra state. The national identity of this variety is IC626343. He also gave soyabean growing guidance to for farmers. A crop rotation, soil position, frost tolerant, feeding, spacing, sow and plants, harvesting etc. It has president, vice president, secretary and members. President of Botanical Society 2022-2023 Miss. Laiba Iffat motivated and appreciated the efforts of Botanical Association. The secretary of Botanical Society Miss. Adiba Anam highlighted the keycontributionof2021-2022. She motivated the students by stressing on the importance of Botanical Society and academics and how they can excel in the same by hard work and dedication.

Outcome of the Programs:

- Students now are able to modify, extend and strongly encouraged.
- Student got the importance of time
- Student got information about soybean cultivation

1. Name of Organising Department : **English**
2. Name of Activity : Visit to Railway Station
3. Place of Activity : Badnera Railway Station
4. No. of Participants : Students-36, Teachers -2

Details of Activity (In Brief):

English department organized visit to “Badnera Railway Station” on 11th of October ,2022 at 9:00 am under the supervision of HOD of English department Dr. P. G. Dindokar and Dr. Pooja A. Deshmukh. 36 students of BSc First year were present to this visit. The main objective of this visit was to make student aware about the working mechanism Railway station. Indian railways are the premier transport organization of the country is the largest rail network in Asia and world’s second largest under one management. single management. It is a symbol of inclusion and innovation in the country with multiple stakeholders across regions, states and communities. Students along with their respective **teachers surveyed Railway station and examined it.** They come to know about railway time table, railway shops, inquiry section, rest room, emergency section etc. Survey papers are provided to the students. Students solved the survey papers and understood the railway management. The main objective of the visit was to change people’s attitude to **sanitization and create awareness.**

Outcomes of The Programme:

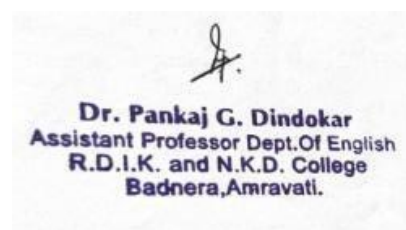

- Now they could apply various skills, values and general knowledge in new setting.
- They also got opportunities to collaborate with teachers with new perspective and to learn from them in an informal environment which enhanced their learning abilities.
- Through Educational tour students are offered with the perfect informal setup for dialogues, discussion and innovative experiences which developed their **various life skills, such as team building, time**

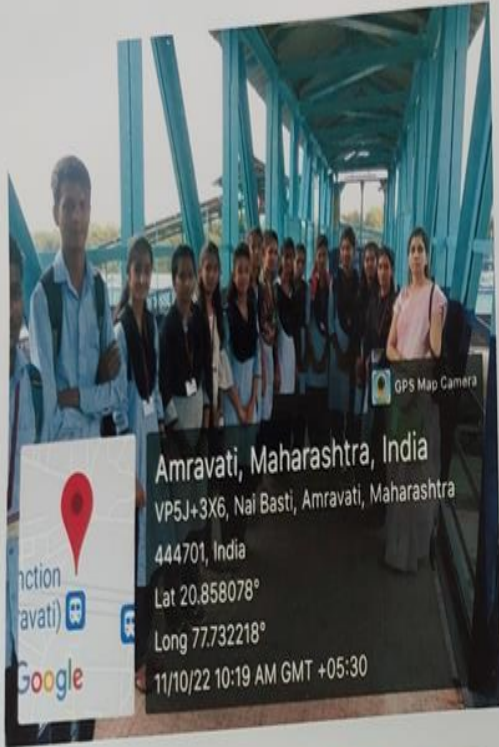

management, communication skills, decision making creative and critical thinking etc.

- Students are exposed to different lifestyles, places, people and Era. Thus, their understanding of every aspect of the place and its people got broaden.
- Students gained first hand experiences which allowed teachers to expand the topic which is not possible during the normal class.
- Students developed better understanding of issues related to socioeconomic factors, poverty, abuse community violence, social injustice, mental health problem, interpersonal relationship etc. They gained access to appropriate resources to deal with such issues.
- Students could have better experience through **experiential learning** than regular class room. They are better able to connect theories and knowledge learned in the classroom to real-world situation.

1. Name of Organising Committee : **Women Empowerment Cell**
2. Name of Activity : Workshop on Job Opportunities for Women in Media
3. No. of Participants : Students 83 Teachers 4
4. Date of Activity : 14th October, 2022

Details of Activity (In Brief):

Workshop on 'Job Opportunities for Women in Media' was organised on 14/10/2022 by Women Empowerment Cell well known Personalities in social media in Amravati Dr. Sanjay Gharde, Director, Sadhana Radio, Durgapur, Shri Sanjay Shende, News Editor, IBN Group and Ms. Sneha Wasnik, Director 'Being Artist' guided students in this workshop.

Mr. Sanjay Gharde appealed students to inculcate habit of reading and writing. This will help to improve their writing ability. Content writing is very fast-growing department in social media where there are lots of opportunities for students.

Mr. Sanjay Shende advised students to start their career as news reporter, which will lead them to become news editor, news reader and other related higher posts in print and electronic media.

Miss Sneha Wasnik asked students to make career as a freelancer. The best freelance jobs available around are web developer, graphic designer, social media specialist, video grapher, etc. She herself being freelancer social media specialist said that they are assured and highly paying jobs in social media today.

All the three resource persons encouraged women to come forward and make a career in social media.

Outcome of the Programme:

1. Girls were motivated to join social media as career.
2. They learned about opportunities in media marketing, T.V. Anchoring, News editing, Content Writing and other related fields.
3. Girls were introduced to a new area of economic independence.

1. Name of Organising Department : **English**
2. Name of Activity : Interview of A Dignitary
3. No. of Participants : Students-39, Teachers -3
4. Date of Activity : 13th December, 2022

Details of Activity (In Brief):

An event of “An Interview of a Dignitary” were organized by English Department during the session 2022-23 on 13th of December,2022 at 10:00 am at College Library Hall. Shri Bhushan Dayawate Head of Library Department chaired programme while Dr. P.G. Dindokar Head of English department welcome Dignitary personality Dr.Seema Meshram. Dr.Pooja A.Deshmukh anchored as well as conducted the programme. Students interviewed her as a successful Professor of Physics department at Bar.RDIK&NKD College, Badnera. 39 students and 3 faculties were present at this event. The main objective of the programme was that students should get motivated by the struggle of the successful personality and learnt from their drawbacks and mistakes. Dr. Seema Meshram madam discussed with students about her struggle, obstacles and success. She also discussed about her professional and personal life. Students are guided about how we should keep balanced about our personal and professional life.

Outcome of the Programme :

- Students’ confidence level got boosted as they were inspired by such a successful and imitable personality.
- Students are motivated by the life, hard work and personal experiences of the successful personality.
- They also learnt how they should be persistent and stubborn in their life and work.
 - Students learnt what mistakes should be avoided and what should get improved.
- Students are also got inspired as how they should be fighter in their life and should not give up at any odd situation.
- Students Communication Skills and Interview Skills got enhanced.

1. Name of Organising Department : Home Economics
2. Name of Activity : **Visit to Tasre Flower Shop**
3. Place of Activity : At Jaihind Chowk, Badnera
4. No. of Participants : Students 50, Teachers 02
5. Date of Activity : 26th September, 2022

Details of Activity:

Home Economics department had organised visit at 'Tasare Flower Shop' at Jaihind Chowk, Badnera on 26 September 2022. Total 50 students visited the shop from B.A. Part first year students, under the skill enhancement module of students. The main purpose of the visit is to educate the students about the types of flowers, how to make flower arrangement, their types, how to make bouquets, flower arrangement, flower decoration, how to take care of flowers, etc. Students were explained how they could create employment and how they can take cultivation of flowers in their farms at the cost-effective way. The visit was organized under the guidance of Dr. Shital Rathod and Dr.Lata Hiwase.

Outcome of the Programme :

- Students learnt about different types of flowers and colour Scheme.
- This visit helped the students to gain knowledge about flowers and help to set up new business in the area of horticulture.

 Dept. of Home-econ

1. Name of Organising Department : Home Economics
2. Name of Activity : **Educational Tour**
3. Place of Activity : At Woods Water Park, Resort,
Chandur Railway
4. No. of Participants : Students 27 Teachers 2 Other 8
5. Date of Activity : 18th November, 2022

Details of Activity:

Home Economics Department organised educational tour at Woods Water Park, Resort, Chandur Railway on 18 November 2022. Students got to know about how to start a business, its management, how to invest properly. Through questionnaire students collected information about the resort like the investment pattern the present condition, the maintenance, and the business model, what are their future plans for their resort development, etc. Nearly 27 students of B.A. II & III actively took part in this activity under the guidance of Dr. Lata Hiwase & Dr. Shital Rathod.

Outcome of the Programme :

- It developed entrepreneurship skills among students.
- It encouraged students to think critically.
- It helped students to think new ideas and ways to set up any business.

Dr. Lata Hiwase

1. Name of Organising Committee : **Women Empowerment Cell**
2. Name of Activity : Workshop on 'Anchoring Skills'
3. No. of Participants : Students 44 Teachers 05
4. Date of Activity : 3rd January, 2020

Activity (In Brief):

As part of soft skills development programme, Women Empowerment Cell organized one day workshop on 'Anchoring Skills' for girls on 3/1/2020, Renowned anchor and social worker of Maharashtra, Ms. Kshipra Mankar was resource person for this workshop. She told the girl students that anchoring is a rewarding career for girls and also described the qualities that are essentially required to become a perfect anchor. First and foremost, requirement to become a successful anchor is to develop reading habit. One should read a lot from literature to comics, science stories to fictions, poetry to gossips so that he or she can impress the audience.

Apart from reading habit you should groom yourself with perfect body language, expressions and with a clean and clear vocabulary. If you are a good anchor then nothing is going to stop you from getting attractive salaries. You need to do hard work and keep patience to get success in this career.

Videos on anchoring skills were shown to students in this workshop.

Outcome of the Programme :

1. A new field of career was introduced to girls.
2. Many girls showed interest in choosing anchoring as their career.
3. Girls became more confident about their capability.
4. As a result of this workshop many girls came forward for anchoring in college programme.

1. Name of Organizing Committee : **Career Counselling & Guidance Cell**
2. Name of Activity : **Workshop on Meditation (way of Personality development)**
3. No. of Participants : Students -72 Teachers - 06
- 4.. Date of Activity : 24th February, 2020

Details of Activity:

On 24.02.2020, a Workshop was organized by the career counselling and student development cell on the topic "Need of Meditation in Personality Development". For this, B.K. Pramod Bhai from Prajapita Brahma Kumari Ishwariya Vishwa Vidyalaya guided students. In his guidance he said that Meditation releases the accumulation of stress, and leaves our minds fresh and clear. He made students aware about the present moment, which is the field of all actions. He made students clear that when the mind is totally in the present moment, we act with complete awareness. He also focused on the emotional and physical benefits of meditation which includes Gaining a new perspective on stressful situations, building skills to manage your stress, increasing self-awareness, focusing on the present, reducing negative emotions, increasing imagination and creativity, increasing patience and tolerance.

He also conducted practical session of meditation with commentary.

Outcome of the Programme:

1. It helped students to increase focus, better academic understanding and time management.
2. It enhanced self-confidence and self-stem.
3. It reduced stress, anxiety and doubt.
4. It helped clarity of mind and improved mental health.

2. Name of Activity	:	Organic farming & Exhibition on Seed bank
3. No. of Participants	:	Students 38 Teachers 02 Other 01
4. Date of Activity	:	8 th March, 2020

Details of Activity:

On the occasion of International Women's Day on 8th March, 2020, Department of Home-Economics organised Seed Bank exhibition by taking inspiration of Padmashri Rahibai Soma Popere & by considering importance of organic farming.

Guidance was given by Head of the department Dr. Lata Hiwase. Seed Bank was prepared by the student. This program was inaugurated by the principal of the college. Dr. R. D. Deshmukh at 10.30 a.m. along with the faculty members, staff and students of the college. Since most of the students of the college are from rural areas and from farmers family, they brought Gavran seeds of different fruit trees, leafy vegetables, fruits, cereals, pulses, oil seeds. These seeds were packed in small packets for display.

These seeds packets were kept for display in the exhibition.

The total 38 students had participated and explained the benefits of Gavran seeds & organic farming to all the visitors. Some of the visitors got impressed with this activity and they keenly got few of the seeds to cultivate in their kitchen gardens.

Outcome of the Programme :

- Students learnt about different traditional seeds and develop interest in organic farming.
- Students got importance of organic farming for environmental conservation and for good health.
- Developed a skill of communication & marketing among the students.

2. Name of Activity : Guest Lecture (“*English Communication*”)
3. No. of Participants : Students-86, Teachers-5
4. Date of Activity : 8th February, 2019

Details of Activity:

To develop students’ personality and soft skills, Department of English during the session 2019-2020 organized Guest Lecture on 8th of February, 2019 at 10:00 am. Dr. P. G. Dindokar (organizer) and Dr. Jawanjal (Organizing Secretary) Dr. R. S. Pottukucchi from Takshashila College, Amt. was a keynote speaker at this programme. The topic of the guest lecture was “*English Communication*”, was very useful from students’ point of view. He began the session by stating that English is the third most widely spoken language in the world, it is widely spoken and taught in over 118 countries and is commonly used around the world as a trade language or diplomatic language. It is the language of science, aviation, computers, diplomacy and tourism. He explained students the importance of English language communication. He also explained the students the 7 Cs of Communication that help students to communicate more effectively. The 7 Cs stand for: clear, concise, concrete, correct, coherent, complete, and courteous. He elaborated them to students. It’s a pride to mention that 86 students were present to this Guest lecture.

Outcome of the Programme :

- Students developed self-confidence and ability of interaction in English Language.
- Now they are able to speak English language and can try to use new words while speaking.
- Students learnt soft skills and implemented in their daily life.
- Personality of the students got enhanced and there is a visible change in their speaking and body language.
- Students also came to knowledge of the 7cs of Communication which will help them in their communication practice.

1. Name of Organizing Department : Department of Commerce & Management.
2. Name of Activity : Workshop on Financial planning for young investor.
3. No. of Participants : Students **100** Teachers **07** Other **06**
4. Date of Activity : 2nd February, 2019

Details of Activity:

One day workshop was organized by Dept. of Commerce & Management in collaboration with Securities and Exchange Board of India (SEBI) dated 02.02.2019 on “Financial planning for young investor”. The Resource person of the workshop was Dr. Prashant Pisolkar (SEBI Empaneled Financial Resource Person), guided the students on financial planning and awareness about investments.

SEBI is leading organization of India which create financial awareness among the people of different field of the society. Across India. SEBI has appointed "Empaneled Financial Resource Persons" across India to campaign financial literacy to the general public. Dr. Prashant Pisolkar is a SEBI "Certified Financial Resource Person". He threw light on various aspect of financial planning. Due to lack of knowledge about importance of financial aspects like financial transactions, life and health insurance cover, investment instruments, money value, loans, they face various financial problems in life. Financial illiteracy creates many obstacles in their way of progress thus leading to depression in life. From this workshop, financial literacy and various aspects of financial planning were given to the students and employees through PPT. He shared to students’ knowledge of various issues involving financial planning such as need for financial planning at an early age, various investment avenues in Indian financial market, precautions prior investment, investment portfolio design, nurturing the habit of investment with the students. He also provided study materials involving various aspects of financial investments published by SEBI to the participants of the program.

Outcome of the Programmed :

- Students developed their knowledge about Safety, income, and capital gains, Tax Minimization.
- Students are now aware about financial management and planning.
- They learned different strategies of about Share Market investments.
- They also learned Entrepreneurship start-up plans, risk and funds.
- They also enhanced their knowledge about determining the sources of funds, Managing or utilizing these funds efficiently and identifying risks and issues in the plan.
- Workshop made student aware about economic literacy.

3. Place of Activity : Central Citrus Research Centre, Nagpur
4. No. of Participants : Students-30, Teacher- 04
5. Date of Activity : 8th February 2019

Details of Activity:

The Technology Mission on Citrus (TMC) was sanctioned by the Ministry of Agriculture, Govt. of India, New Delhi under National Horticulture Mission for enhancement of quality Citrus production in Vidarbha, Marathwada and Chhindwara. The department of Botany, Bar. R.D.I.K. college, Badnera organized the institutional visit cum Excursion tour at the Central Citrus Research Centre, Nagpur for B. Sc. III (semVI) 30 students on 08/02/2019. During this visit students were guided by Dr. Ladaniya, Director, ICAR-CCRI, Nagpur along with Dr. Thngare, Sr. Technical Officer, Mrs. Jayashree Kolwadkar and Chief Technical Officer Ms. Lily Vergis. The students explored their knowledge in plant biotechnology, plant pathology, crop management and breeding and plant tissue culture.

Mrs. Jayashri Kolwadkar said that central Citrus Research Institute gives entrepreneurship and leadership development program for horticulture entrepreneurs for this they give training to the entrepreneurs about the given topic for e.g. Crop activity citrus cultivation. Training conducted on integrated citrus production management, citrus nursery management and production technology, skill development program, advance techniques of citrus, nursery plant propagation system, management of Ambia and mrig bahar, expected outcomes of training were successful completion of the project given, reduce cost of production, improved crop health, productivity and reduced losses, improved food safety, improved profits or net income. Application form was filled by the students with expected eligibility. Students got the enough knowledge and enjoyed the tour.

Outcome of the Programs:

- The students explored their knowledge in plant biotechnology, plant pathology, crop management and breeding and plant tissue culture.
- To Fostering critical thinking and analytical skills through hands on learning • Students got the knowledge on different techniques used in biotechnology.
- They learned applications of biotechnology in plant breeding and seeds refers to the development of new varieties and traits through hybridization, out crossing, mutation,

tissue culture, grafting and cloning of plants, genetic engineering and editing of the genome.

- Students got information about entrepreneurship given by the central research centre and enjoyed the tour full of knowledge.

1. Name of Organising Committee : **Career Counselling and Guidance Cell**
2. Name of Activity : Training on Fine Arts.
3. No. Of Participation : Students 135 Teacher 04
4. Date of Activity : 21stJanuary 2019

Details of the Program (in Brief):

A training session was organized on fine arts for students on 21 January 2019. The resource person of the training session was Shri LalaramSoj Harod. Students were taught how to make or create different items using papers such as wall hanging, photo frame, sky lamp paper garlands, paper flowers, paper bags, decorative items, etc. Mainly fine arts with the use of paper were taught with the aim of reducing the use of plastic with the view to protect environment. Along with it how to reduce use of plastic in our day-to-day life was also discussed among students like using of cloth or paper bag while purchasing things from shop buying environment friendly and items etc. The session ended by giving a demonstration and training on making paper bags and wall hangings

Outcome of the Programme:

It helped to engage student in exploration and imaginative play with materials

It helped to build skills in various media and approach of art making

It helped in cultivating critical thinking among students.

It helped encourage their artistic qualities.

It helped to be entrepreneur

It helped to protect environment

1. Name of Organising Department / Committee : Home Economics
2. Name of Activity : **Sales & Stall Management**
3. No. of Participants : Students 40 Teachers 02 Other 02
4. Date of Activity : 7th March, 2019

Details of Activity (In Brief):

Department of Home Economics trained 40 girl students for preparing various types of chutneys like coconut chutney, peanut chutney, flax seed chutney, sunflower seed chutney, soybean, garlic chilly chutney, sesame chutney and various kinds of pickles such as Lemon, Mango, Chilli, Turmeric, Amla, Ginger, Garlic, Mix veg, etc. on 7/3/2019.

Students displayed chutney and pickles prepared by them in the stall and displayed its notorious values.

Dr. Lata Hiwase & Dr. Shital Rathod guided the students for management of chutneys stalls & their selling to staff member of college and purchase the chutneys and pickles.

Outcome of the Programme:

- Students will gain scientific knowledge & methods for preparation of different types of chutneys.
- Developed a skill of management & marketing.
- Help to develop ability as an entrepreneur.

Date :

1. Name of Organising Department : **English**
2. Name of the activity : English language society inauguration and guest lecture. (“Body Language and Interview Skills.”)
3. No. Of Participants : Students- 75, teachers- 3.
4. Date of Activity : 6th September, 2018

Details of Activity:

The English Language Society for the session 2018-2019 was organized for academic and overall development of students on 6th of September 2018 conducted by Prof. P. G. Dindokar and Prof. W.G. Jawanjil. The Chief guest and Inaugurator of the Programme was Prof. R.S. Pottukuchii from Takshashila College Amravati. Students of B.A., B.Com., and B.Sc. Were present to this programme. 75 students from Arts, Commerce and Science Faculty attended this session. Prof. R. S. Pottukuchii guided the students on very important topic “Body Language and Interview Skills.” He talked on Body language that is a range of nonverbal signals that you can use to communicate your feelings and intentions. These include your posture, facial expressions, and hand gestures. Your ability to understand and interpret other people's body language can help you to pick up on unspoken issues or feelings. He also shared Interview Skills, the knowledge of which is very essential for students.

Outcome of the Programme:

- Confidence level of the student increased as they learnt about importance of Body Language.
- Students also grasped knowledge of Interview Skills. Now they are able to face any interview boldly and effectively.
- After learning Interview techniques this will help students for professional development and learning opportunities that improve student's capacity to excel and create a positive impression during the interviews.
- This Program was beneficial for the students for overall personality development.
- Students could arrange various programmes through this committee which will be beneficial for their personality and language developm

1. Name of Organising Department : **English**
2. Name of Activity : Guest Lecture (Soft Skills and Personality Development)
3. No. of Participants : Students-84, Teachers-4
4. Date of Activity : 22nd February, 2018

Details of Activity:

To develop students' personality and soft skills, Department of English during the session 2018-2019 organized "Guest Lecture" on 22nd of February ,2018 at 10:00 am. Dr Subhash Sirsat from Tompe College, Chandur Bajar was a keynote speaker at this programme. He started the session with a very creative introductory session, where students had to introduce themselves in a novel way. They had to either mention an adjective or a quote or song which best describes them. They could also explain the meaning of their names (without revealing the names) thereby giving an opportunity to the others to guess the names! It was an enjoyable icebreaking exercise and it was observed that students were quite engrossed in the exercise. He also explained students about the importance of Personality Development that Personal development increases your self-awareness, your self-esteem, increases your skills, and fulfils your aspirations. The topic of the guest lecture was very useful from students' point of view.

It's a pride to mention that 84 students were present to this Guest lecture.

Outcome of the Programme :

- Students developed self-confidence and ability of interaction.
- Now they are trying to speak English language and can try to use new words while speaking.
- Students learnt soft skills such as interpersonal skills, communication skills, listening skills, time management, problem-solving, leadership, and empathy, and implemented in their daily life.
- Personality of the students got enhanced and there is a visible change in their speaking and body language.
- Students learnt to use new vocabulary in their writing as well as speaking. **Name**

2. Name of Activity : One day Workshop & Training of Paper Bag Making.
3. No. of Participants : Students 94 Teachers-04
4. Date : 15th October, 2018

Details of Activity (In Brief):

One day Workshop & Training was conducted on paper bag making. This workshop was held under the guidance and training of Dr. Anita Sonule. Students were made aware about how plastic affects environment by reducing soil fertility & soil quality. How plastic bags have become a threat to the life of animals living on earth as well as in water. She threw light on use of paper bags as these are 100% reusable, recyclable & biodegradable and environment friendly. Students were trained to make paper bags by using cardboards, Newspaper, etc. paper bags like flat bags. Grab bags with no handles and bags with handles were made by the students. This guidance gave opportunity to students to create self-employment.

Outcome of the Programme:

- *It enhanced public awareness regarding the detrimental effects that plastic bags can have on environment.*
- It helped to promote the utilization of paper bags and other environmentally conscious alternatives.
- It promoted the importance of use of paper bags & made them realize that they can make attractive paper bags waste papers.
- It helped to promote entrepreneurship.

Subject : Permission for conducting CA awareness program.

Respected Sir / Madam,

RCF is a renowned institute providing coaching services mainly to the students undergoing Chartered Accountancy Course since 1996. We have our centres at Akola, Pune, Ahmedabad. We are well equipped to cope with recently revised scheme and to the changing scenario of Education System.

We would like to seek your permission for conducting CA awareness program an alternative career option in your college for the students and all the concerned faculty. The topic is interesting to discuss and will be a guideline to opt for CA Course.

We need your support to carry on such initiative. Looking forward for your positive reply.

Thanking you for your time.

Yours faithfully

Rathi

1. Name of Organizing Department : **Department of Botany**
2. Name of Activity : Guest lecture ‘Bamboo its role in Entrepreneurship and environmental conservation’
3. No. of Participants : Students-66, Teacher-07
4. Date of Activity : 29th August 2018

Details of Activity:

Inauguration Ceremony of Botanical Society for the session 2018-19 on 29/08/2018, at the hands of Mr. Sayyed Salim, Forest Officer, Forest Department, Amravati. He shared the detail information about the no. of species of Bamboo present in all over the world and it is 110 genus and 1500 species. In India 16 Genera and 134 species present, 70% of Bamboo found in North East of India. Bamboo can be differentiated under two categories

- 1) Sympodial
- 2) Monopodial

Mr. Sayyed Salim sir also said that Bamboo absorbs greenhouse gases like Carbon dioxide and release 35% more oxygen in the atmosphere. He also states that Bamboo can be used as a biofuel, food, architecture and construction applications and plays a large role in the local economy by creating job opportunities. Bamboo has been known as “Poor Man’s Timber”. There is small market of bamboo which is called the traditional market of Bamboo, that directly provides income to local people, and their market product include chopstick, handicrafts, bamboo shoots (food) and medicine. The wide range of Bamboo products include various types of baskets, trays, tables, chairs, lamps and other useful and decorative items. We observed a range of prices for similar products, depending on the market, location and availability of items.

Sr. no.	Bamboo product or items	Local/Common Name	Market Price (in Ru.)
1	Basket	Tokari	50-450
2	Winnowing tray	Supa	120-300
3	Food grain basket	Topra	250-500
4.	Mat	Chatai	240-1000
5	Hat	Topi	50-150
6	Rocking chair	Jhula, Kursi	500-1500
7	Flower pot	Phooldan	250-450

8	Sofa	Sofa	15000-42000
9	Table lamp	Mezbatti	300-1200
10	Toys	Khilone	50-1000

There is remarkably wide and diverse range of uses for the bamboo that is present, and its product play an important role in improving the socioeconomic status of the under privileged population.

The inauguration program was chaired by Dr. R.D. Deshmukh, Principal and Dr. S. B. Thorat was an organizer of the event. The president of Botanical Society Ms. Neha Sadaf gave the welcome speech and briefly described about the program schedule. Mr. Sayyed Salim enlightened the students about various species and germplasm of Bamboo from India and Abroad and also ask the students to visit the Bamboo Garden, Wadali. The program was concluded with the vote of thanks by Ms. Pooja Bhakare.

Outcome of the Programs:

- Mr. Sayyed Salim enlightened the students about various species and germplasm of Bamboo from India and Abroad.
- Encouraged new and existing cultivators to grow more bamboo could help to minimize the deforestation rate, while an increase in bamboo use would help save the environment from pollution.
