To,
Hon'ble Dean
Sant Gadge Baba Amravati University,
Amravati

Subject: Submission of feedback reports regarding curriculum received from stakeholders.

R/Sir,

Curriculum of different courses taught in the university is designed by competent authorities of the university. Same curriculum is taught in affiliated colleges. Our college obtained feedback from teachers, students, alumina, parents about the effectiveness of this curriculum. Suggestions regarding changes according to needs of the students and placement potential were also obtained. The data was analyzed and consolidated report was prepared.

We are submitting this report for your consideration. Looking forward for your necessary action.

Thanking you.

Yours faithfully

Details of Activity:

SGBAU Computer Science Teacher Association Amravati Organized University Level Seminar on “**Syllabus Restructuring as per CBCS for subject Computer Science/ Computer Application**” on dated 28/10/2021 (Thursday) at 10.00AM.

Details about Syllabus Restructuring as per CBCS Pattern:

B.Sc. Restructuring program is designed to serve the requirements of Choice Based Credit System as per the guidelines of University Grants Commission. In the proposed structure, due consideration is given to restructured courses along with the conventional courses (Regular Pattern). The continuous assessment of Choice Based Credit System will facilitate systematic and through learning towards better understanding of the subject. The well planned curricula from 1st year to 3rd year comprising of six semesters will definitely motivate the students for inculcating enough skills required for becoming a successful entrepreneur as well as a researcher.

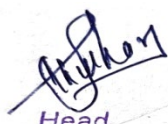

Objectives:

- **Flexibility:** CBCS provides students with the flexibility to choose their courses from a list of elective, core, and soft skill courses.
- **Skill-Based Education:** CBCS aims to maximize skill-based education and enhance student learning outcomes in terms of their grades as well as skills.
- **Inter/Multidisciplinary Approach:** It allows students to choose inter/multidisciplinary courses.
- **Mentorship:** Based on the IQ level of an individual student, a mentor guides students to select courses.

Course Outcomes:

- Through this pattern, skilled and technical human resources will be made available.
- It will develop self confident and knowledgeable personnel's.
- The course will motivate students in the field of research as well as guide to become a successful entrepreneur.
- It will develop self awareness to enrich decision making ability among the students.
- Personal development will increase the clarity and effectiveness in knowing themselves and their strengths.
