1. Name of Organising Department : **Department of Statistics**
2. Name of Activity : Statistical Survey Participation in Graduate Constituency in Election
3. Place of Activity : Badnera Town
4. No. of Participants : Students 30 Teachers 02
5. Date of Activity : 6th February, 2023

Details of Activity (In Brief) :

Students of Department of Statistics conducted statistical survey in various localities of Badnera town on 06/02/2023. Topic of the survey was Participation of citizens in graduate constituency election held on 30/01/2023. 6 groups of students were formed to collect the information. Each group was assigned to collect information from particular area. These groups visited Badnera New town, Professors colony, Pawan Nagar, Laddha plot, Old Town Badnera and Pach Bangala area. Students collected data of total graduates in the family, whether they have registered their names in voter list and if they have casted their vote in recently held Graduate Constituency Elections. Students asked the reason for not registering their names.

People who had not registered their names in voter list, were made aware of the fact that our constitution has conferred upon us the right to vote and so it is our responsibility to register ourselves and to cast voters in elections. Our vote is important as it counts for formation of legislature. Thus, students provided guidance as well as counselling to people.

Students visited a sample of 100 houses. The sample consisted of variety of people such as government employees, professionals, retired persons, labourers and students.

30 students of B.A. I, B.A. II and B.A. III of Statistics Department participated in this activity. Survey was carried out under the guidance of Principal R.D.Deshmukh.

Mrs. Bhagyashri S. Vidhale Head of Department, Aniket D. Parate were present.

Data collected by the students was analysed and following results were obtained.

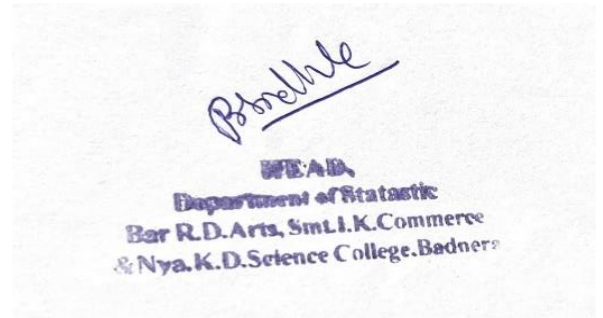

Total Number of Graduate Persons	:	161	
Registered in Voter List	:	71	44%
Not-Registered in Voter List	:	90	56%
Number of Persons Voted in election	:	38	24%
Number of Persons not-voted in election	:	123	76%
Number of Persons not-voted but registered in voter list	:	33	46%
Number of Persons who did not know about registration	:	65	40%

Conclusion :

- i. It was observed that more than 50% graduates have not registered themselves in graduate voter list.
- ii. In spite of registering themselves 46% voters did not voted.
- iii. Only 24% of registered voters took part in the election.

Outcome of the Programme:

- i. Students learned to collect Primary data by questionnaire method.
- ii. The survey enabled students to learn effective communication, speak, write and listen clearly in person.
- iii. Students were able to differentiate between primary and secondary data.
- iv. Students became familiar with handling, collecting and analysing the data.
- v. The survey spread awareness about Graduate Constituency Elections.
- vi. People realised the importance of registration in Graduate voter list and they registered themselves for the next elections.

1. Name of Organising Department : **Department of Geography**
2. Name of Activity : Sky Observation
3. Place of Activity : At. Jalutq. Nandgaon (kh.), Dist. Amravati.
4. No. of Participants : Students 10 Teachers 04 Other 77
5. Date of Activity : 1st March, 2023

Details of Activity (In Brief):

Sky observation program was organized by the Department of Geography at village Jalu from 6.30 to 9.30 pm. On March 1, 2023. Along with it a lecture was organised on “the effect of planets on human life”. The program was chaired by Prof. Dr. Aruna Patil. The chief guest was Praveen Gulhane. Dr. Manoj Gathe discussed about planetary system and the sun. He also tried to eradicate the superstitions which are in the minds of people regarding the planets that they affect human life. The keynote speaker Shri. PravinGulhane said that planets are transcendental and no planet has any effect on human life. He explained the structure of the solar system by stating the position of the planets and the distance of all the planets from the earth. Students observed the planets Jupiter, its four Moons and Venus with the help of telescope.

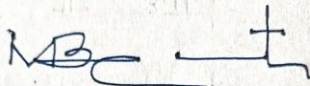

77 villagers enjoyed sky observation at this event. Prof. Dr. Atul Patil, Prof. Dr. Nakul Deshmukh, Dr. Pooja Deshmukh, Dr. VidyaMahalle, Dr. Seema Meshram, Dr. Sanjeev Jagtap, Dr. Ram Khandar, Dr. AtulKalbande were present in this programme.

Outcome of the Programme:

- The superstitions about planets were removed from the minds of the students.
- Students became interested in sky observation.
- After seeing the four moons of Jupiter, the students could feel that planets have satellites.
- Students also experienced how the planets move in space through the telescope.

1. Name of organising Committee : **History -Political Science**
2. Name of Activity : Voters Awareness programme and Registration drive.
3. No. Of Participants : Students- 31, Teachers 03
4. Date of Activity : 22nd November, 2022

Details of Activity (in brief):

Department of History and Political Science organised a Voters’ Awareness programme on 22 November 2022. Under this programme students took the survey at “Zhiri” Badnera and shared the importance of voting rights and made people aware about the voting registration. The voting application were filled by the students and submitted to respected office.

Outcome of the programme :

- It helped to educate the people about the importance of vote in democratic country.
- It helped students to develop core skills such as teamwork, leadership etc.
- Social awareness was imbibed among students
- Students were made aware about the importance of voting.

अदालत :
मतदान नोंदणी व
मतदान जनजागृती अभियान

डॉ. आर. डी. हाटाडे, डे. डी. महाविद्यालयाच्या
इतिहास व राज्यशास्त्र विभागाद्वारे दि. २२.१०.२०२२
रोजी मतदान जनजागृती अभियान राबविण्यात
आले. B.A भाग I व III च्या विद्यार्थ्यांनी
सहभाग घेऊन, डिडनेरा परिसरातील सिरी
या परिसरात या अभियान संपन्न केले.

इतिहास व राज्यशास्त्र विभागातील एकूण ३९
विद्यार्थ्यांनी परिसरातील प्रत्येक घरी जाऊन
मतदान नोंदणी झाली आहे ती नाही या विषयी
देहली. ज्याची नोंदणी साधारणपणे पदवीदार मतदार
संघात नोंदणी झालेली नाही त्यांच्याकडून योग्य
डागदपत्रासह माहिती कॉमिशन घेतले. किंवा फॉर्म
घेऊन महाविद्यालयात ते सादर ठरव्यासवंची सूचना
दिली मदत केली.

हा उपगुप्त राबविण्यासाठी प्राचार्यांच्या मार्गदर्शना
खाली इतिहास विभाग प्रमुख डॉ. वैशावी शाकरे व डॉ.
हानुगधा श्रुतिंशी यांनी विशेष सहकार्यास मदत केली

1. Name of the Department : **Political Science**
2. Name of Activity : National Voters Awareness Program
3. Place of Activity : Prof. PRDK College Nandgaon Khandeshwar
4. No Participants : Student-50, Teacher-10, Other-5.
5. Date of Activity : 25January 2023

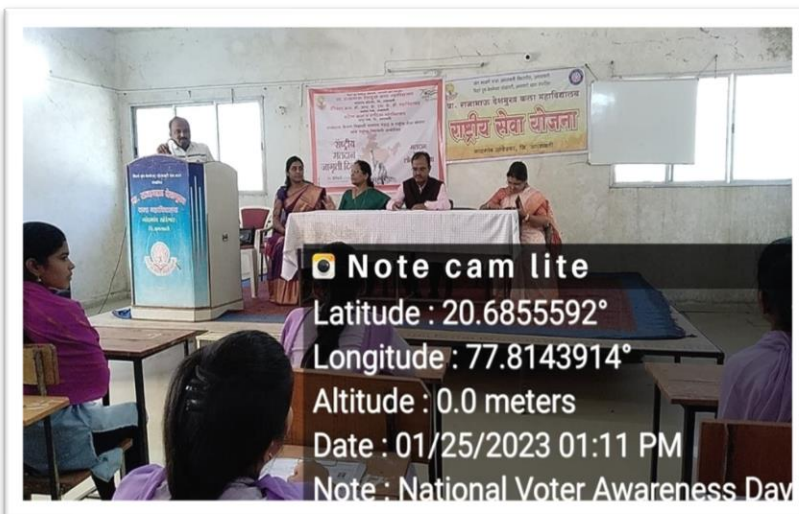

Details of Activity:

Bar. RDIK College, Badnera (Railway) in collaboration with PRDK College Nandgaon Khandeshwar Organized “**National Voters Awareness Program**” on 25th January 2023. The Chief Guest of this program was Dr. P. H. Suryavanshi. He explained the importance of election and importance of Polling (Voting). Voting is our national duty. Government of India decided to celebrate 25th January as a “**National Voters Day**” every year. The main motive of celebration of National Voters Day is to facilitate Enrolment of voters, especially the newly eligible young voters.

My Vote is my Future – Power of one vote is expressed through creative expression. Such program taps into the talent and creativity of people, while also strengthening Democracy through their active involvement. This program aims at celebrating ideas and withdraw their prejudices related to election and its system.

Outcome of the Programme:

1. Students interest increased in participating in the election Process.
2. Students were Aware about election system and its way of working.
3. Students came to know the importance and power of their one vote.
4. They understood that the voters who elect their representatives have the right to question anything that goes wrong.

1. Name of Organising Department : **Department of Geography**
2. Name of Activity : Water and Soil Survey
3. Place of Activity : At.Jawara, Tq.Nandgaon (kh.)
4. No. of Participants : Students 41 Teachers 04
5. Date of activity : 24th March, 2023

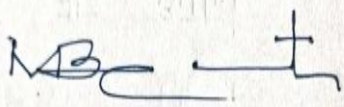

Details of Activity (In Brief):

Water and soil are the two important factors of the environment. Today the water and soil problem has become serious therefore a water and soil survey was done by the students at Jawara village on 24th of march 2023. Total 219 houses were surveyed in this village. In order to observe the problems, students collected the samples and sample data was analysed. Other information regarding the soil and water was gathered with the help of a questionnaire, related to water conservation methods. Students asks about the storage facility of water, what crops they grow in the field, what measures the take to maintain the soil fertility and at what interval they change the crops for better soil, etc. Students discussed the finding of analysis with the villagers and villagers were given some tips which would reduce the problems related to soil and water. A report was prepared by the students using the same questionnaire. In this survey Sarpanch of the village Mrs. Pratibha Mohol, and other gram panchayat members helped in taking the survey. This survey was completed under the guidance of Dr. Aruna Patil and Dr. M.B. Gathe.

Outcome of the Programme :

- Survey helped to convey importance of water and soil testing to villagers.
- Awareness of water conservation awareness was also created through water survey.
- Students were able to study the water condition in the village.
- Students understood how to write excellent reports from primary data.

1. Name of the Department : Social Science
2. Name of Activity : New Voters Registration Program
3. No of Participants : Student-50, Teacher-10, Other-5.
4. Date of Activity : 8th December 2022

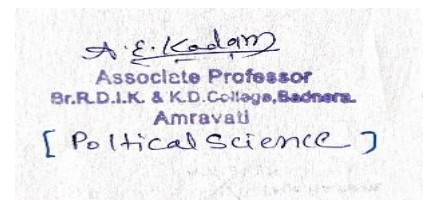

Details of Activity:

Bar. R.D.I.K. College and National Service Scheme organized “New Voters Registration Programme” on 08.12.2022. Dr. Atul Patil (Physical Directory of the college) explained the importance of Voters registration and Participation in election. He explained that Indian Constitution gives rights to every common People of India. The person who lives in India and completed 18 years of his age, he must enroll himself or herself for voting. He continued that election commission of India offers online voters’ registration. This Voter Registration number is not only required by law but also serves as official proof. It is one of necessary document for opening a new business bank account. It is one of the documents we need to provide as an Identity proof as well as citizenship of India.

India is the second largest Democratic Nation. India has conducted numerous elections processes every year.

Outcome of the Programme:

1. Students were aware about how to register themselves for voting.
2. Students understood the importance of voting card.
3. Students got information about where they would use this as an Identity proof.
4. They felt enthusiastic to get one more document of their existence and citizenship of India.

1. Name of Organising Department : **Department of Physical Education**
2. Name of Activity : Run for Leprosy
3. No. Of Participation : 252 Students (Which include 34 students of the college)
4. Date of Activity : 12/02/2023
5. Route of Run : Start-IMA Hall -Girls High Schools Square
Shivaji Education Society District Stadium
Ervin Square Finish IMA Hall.

Details of Activity:

Leprosy, also known as Hansen's disease (HD), is a long-term infection by the bacteria Myco bacterium leprae or Mycobacterium lepromatosis. Infection can lead to damage of the nerves, respiratory tract, skin, and eyes. India is running leprosy eradication programs, the National Leprosy Eradication Program (NLEP) for so many years. Despite this, 120,000 to 130,000 new cases of leprosy are reported every year in India. This is 58.8% of the global total of new cases. This run was organised with the aim to create awareness against the stigma attached to the disease, by making the general community aware that it is a disease spread by a type of bacteria and it can be easily cured. All over the world, people have incorrect and harmful beliefs about leprosy. These beliefs are based on myths and they lead to discrimination against people affected by leprosy. They cause people to hide their symptoms and delay treatment. Superstition like this disease is curse, the result of sin, or punishment from God. You shouldn't touch to leprosy patient because it's highly contagious. Leprosy is incurable Etc. to Eradicate such superstitions from the minds of people and to reduce the rate and eradicate this disease such programs are undertaken by the health mission run by State Government. R.D.I.K. college, Badnera in collaboration with department of health service (Leprosy) Amravati organized "**Run for Leprosy**" of 5 km. on 12th February 2023. Along with 34 students of our college, Men and women of all age groups from the district run participated in. Dr Dilip Pandharpate Revenue Commissioner, Amravati, Dr Manish Rathi President IMA, Amravati. and Dr. R.D. Deshmukh Principal R.D.I.K. college, Badnera, Amravati were present as the chief guests of the program. Total 252 people participated in this event. 53 man and 139 women participated in this run. After the run all the participants were given information about leprosy and about the habits one should

inculcate in their day-to-day life to prevent this disease and the measures one should take to cure this disease. The Caps with health mission logo on it were distributed among the people.

Outcome of program.

- It helped to spread awareness about Leprosy.
- It helped in destroying the fear and superstition about the disease from the minds of people.
- It spread information about the availability of the treatment of disease.

1. Name of Activity : **Wall of humanity (campaign)**

2. Place of Activity : At Govt. Modi Hospital, Badnera

3. No. of Participants : Students 30 Teachers 02 Other 01

4. Date of Activity : 21st October, 2022

Details of Activity:

To bridge down the gap between the rich and poor in society; Mr. Arvind Dethe, from Akola district took initiative for humanity namely, “Wall of Humanity” the theme was to help the needy people Dept. of Home-Economics organized this program under the campaign 'Wall of Humanity'. The campaign was held at Govt. Modi Hospital, Badnera, District Amravati, on 21st October 2022. Students donated dresses & peanuts to the lactating women. This helped students to know them and their socio-economic background etc. Also, Poster presentation was displayed out to spread awareness about vaccination, malnutrition, balanced diet etc. Total thirty students participated in this campaign.

Outcome of the Programme :

Students were motivated to help the educationally economically backward students.

- The values like creativity, manners, love, co-operation, respect, loyalty inculcated among the students.
- Students learnt communicate in a better way.
- This helped students to imbibe humanity among them.

Invention 2022

A competition (Aavishkar-2022) was organised by Sant Gadge Baba Amravati University, at P.R Pote College of Engineering & Management Amravati. On 'Research Model'. Students presented the working model of "Bullock Carts the Savior of Farmers". The model got 2nd prize in the competition and was selected for the next level. Total two students participated in this competition.

The event was organized on 12th December 2022, for this district level innovation our students from B.A. Part 1 AtharvaJaltare and PranavRithe had participated under the guidance of Dr. Shital Rathod. They presented their working model in which the innovation is that the bullock cart was given electric light. If there is any vehicle in the distance or wild animal coming, the bullock cart driver will buzz the buzzer and he will be alerted so that the night ACCIDENT can be prevented, this important objective keeping in mind & project was implemented and the district level innovation of this project got 2nd best prize or number in Aavishkar 2022 at Amravati District. A total of 50-60 projects were submitted in this competition. Only selected students or projects were chance to present in SantGadge Baba Amravati University, Amravati AAVISHKAR-2022, on 16 December 2022 in Amravati University in front of the Vice Chancellor of the University and other external jury members. For this project, the principal of our college Dr. R.D. Deshmukh sir was of great help and appreciated the students and guided them.

Outcome of the Programme :

- Developed research attitude among the students.
- It helped boost their self- confidence.
- Helped imbibe scientific approach.
- Inculcated skills of critical thinking, problem solving and experimental learning.

1. Name of Organising Department : Department of Commerce & Management.
2. Name of Activity : **Online Quiz Competition on Azadi kaAmrit Mahotsav**
3. Place of Activity : Online (Google Form)
4. No. of Participants : Students **499** Teachers 08
5. Date of Activity : 15th August, 2022

Details of Activity:

The youth rarely have time to remember our rich history and culture in today's fast-paced, intensely competitive daily life. This is especially important while the country is celebrating Azadi ka Amrit Mahotsav. The day holds tremendous ground in the list of national days. It reminds every Indian about the dawn of a new beginning. This year India celebrated 75th Independence Day on 15th August. India got its freedom from British rule on 15th August 1947. The day reminds us of the sacrifices of various freedom fighters to gain independence from British rule. As a part of Independence Day celebration, Department of Commerce and Management organized one day online Quiz competition on 15.08.2022. In this quizcompetition 499 students of the college and other colleges participated. Under graduate and post graduate students were participated in the Quiz competition. All of them were given online E-Certificates were awarded to the winners as well to the participants. For successful planning of quiz competition, Dr.Pravin Deshmukh, Head Department of Commerce and Management andDr. Nakul Deshmukh worked hard.

Outcome of the Programme :

- Students has known about Indian independence History
- Students understood the importance of 75th azadi ka amarutmahotsav
- Got awareness about Independence Day
- They were reminded sacrifices courage of freedom fighter and pay tribute them
- To inculcate patriotic feeling in the students towards the country

“75th Azadi Ka Amrit Mahotsav ” on the occasion of Independence Day

Department of Commerce And Management organized one day online Quiz competition on Dated 15/08/2022 Monday on the occasion of the 75th Amrit Mahotsav Day of Independence Day a. 499 various outside and college students participated in this competition. All of them were given certificates. For successful planning of quiz competition, Prof. Dr. Pravin Deshmukh, Head of Commerce and Management and Prof. Dr. Nakul Deshmukh worked hard. Interestingly, all the students who achieved proficiency were awarded with certificates. It is our aspiration that the students will be encouraged and the students will know about freedom and will inculcate in them a strong sense of patriotism and will cherish the feeling of gratitude towards the freedom fighter and participate enthusiastically. The organizing committee expressed its thanks for the participation and assured that some such competitions will be organized in the future as well. Given by Pravin Deshmukh. HOD commerce and management dept.

A quiz competition was organized here on the occasion of the 75th Amrit Mahotsav of Independence Day. 499 students participated in this competition. All of them were given certificates. In which there is a need to conduct some studies and other workshops to inculcate in the students the feeling that "freedom means living life with appropriate constraints instead of undue constraints". So that the students of today are the future of the nation of tomorrow and the responsibility of nation building rests on their shoulders. But since it is the counselor's responsibility to develop that strength in them and it is the spirit of the college

management committee, as a lesson, it is imperative to conduct various experiments, many enlightening and interesting.

This encouraged the students. And it is our aspiration that the students will be awakened to the importance of freedom and a strong sense of patriotism and that they will cherish a sense of gratitude towards the freedom fighters and participate enthusiastically in national upliftment. The organizing committee thanks the participants in detail.

Prof. Dr. Manju Ahir, Prof. Nagesh Kalmegh, Prof. Mona Yadagire worked hard. Specially, the students who achieved proficiency were honored with certificates. In view of the spontaneous response of the students, the organizing committee assured that many such activities will be organized in the future as well.

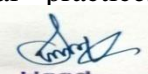

1. Name of Organizing Department : **Chemistry**
2. Name of Activity : Campaignon Voter registration and voting awareness
3. No. of Participants : Students - 40 Teachers :06
4. Date of Activity : 21st October, 2022

Details of Activity (In Brief):

The Voter registration and voting awareness campaign organized on 22.10.2022 by the Department of Chemistry, RDIK and NKD College, Badnera at 11.00 am. A Voter registration and voting awareness campaign is aimed at making people aware of the importance of their participation in the electoral processes either as voters or candidates, the modes of participation, the procedure to become eligible for voting and to actually cast their vote, the ways to assess the poll-worthiness of a candidate. The goal of Election Voter Awareness Campaign is to create an environment for free and fair elections, and to encourage in particular, the participation of marginalized groups such as women, the minorities, special ethnic communities and the poor. As Teachers and Graduate Constituencies Election was close so this Voters awareness and registration activity was organized to make students aware and teach about how to fill voter's form and inform them about required documents. Students were given Voter's form to distribute in their villages. They distributed to them to their village and collected forms and submitted to the college. Then the college collected all forms and submitted to Election Commission.

Outcomes of the Programme:

- By the end of the campaign, students understood voting procedure, how to fill voters form, how to vote, election process etc.
- Awareness programme helps to increases voter turnout in general and from amongst women and marginalized groups in particular and also helps to make informed choices
- It also encourages persons with integrity, and who are concerned with public causes to participate as candidates.
- It increases the transparency and accountability of the election process.
- It helps to reduce the scope for unfair or corrupt electoral practices.

1. Name of Organising Department : ZOOLOGY
2. Name of Activity : “Workshop on Ecofriendly Holi colour”
3. No. of Participants : Students – 125, Teachers -02 Other -02
4. Date of Activity : 3rd March, 2023

Details of the Activity:

Department of Zoology organized a Workshop on **3rd March 2023**, to create awareness among students, about the various types of diseases caused due to festival celebrations that adversely affect on Human being. The aim of this workshop is to generate awareness amongst people about the various harmful effects around Holi celebrations and encourage people to celebrate an eco-friendly Holi. Dr. Swapnil Tinkhede, Vinayak VidhyanMahavidyalayaNandgaonKhandeshwar was the resource person initially explained the present scenario of celebration of holi festival with respect to playing color. He pointed out that today the people celebrate holi by using colour Dye which is prepared from chemical, he also told that how this colour are harmful to human body and environment.

To avoid adverse effect of these chemical colour, he asked the student to use natural colour which can be easily made in house from available material, zero or low cost He also focused on the use of natural colour, having medicinal property and which is beneficial to skin.

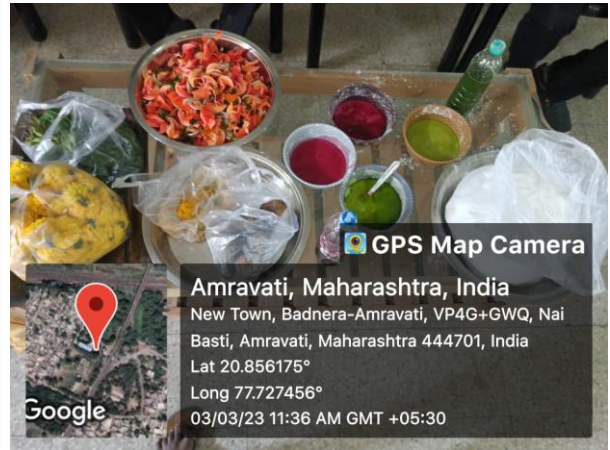

In this workshop Dr. Swapnil Tinkhedegivedemonstration and procedure about the preparation of natural colour from materials such as turmeric, beetroot, spinach, clustered powder and flowers of trees that blossomed during spring, such as the Indian Coral Tree (parijat) and the Flame of the Forest (Kesu), both of which have bright red flowers. These and several other blossoms provided the raw material from which the brilliant shades of Holi colours were made. Most of these trees also had medicinal properties and Holi colors prepared from them were actually beneficial to the skin. Students also practised to prepare the colour during workshop and taking oath that not to use chemically synthesized colour during holi.

Outcomes of the program:

1. The event successfully raised awareness about the adverse effects of chemical-based Holi colours, prompting a shift towards eco-friendly alternatives.
2. Students acquired practical skills in creating natural colours, fostering a sense of empowerment in adopting sustainable practices.
- 3) Students committed to use this natural colour in future celebrations.
- 4) The use of eco-friendly colours significantly reduced the environmental footprint of the event, as they are biodegradable and non-toxic.

1. Name of Organising Department : ZOOLOGY
2. Name of Activity : Distribution of Guppy fish (Mosquito Fish)
3. No. of Participants : Students- 10, Teachers-02, Other-03
4. Date of Activity : 30th November, 2022

Details of Activity (In Brief)

Gambusia fish culture project is being run by zoology department. Our college is an authorized center for Anti malaria fish *Gambusia* (Guppy masa) Governed by District malaria Department (Urban only) and Amravati Municipal Corporation since the year 2001. It comes under the jurisdiction of Urban Health post Modi Hospital Badnera. These fishes help to control the diseases like malaria, dengue and chicken gunya.

The malaria department often takes the *Gambusia* fish from our college tank for distribution in malaria prone regions. Zoology department also provides the fish to people like govt. Modi hospital or students who approach to the department.

Outcome of the program:

- 1) By distributing Guppy fish to students and the local community, there is a positive impact on mosquito, control. Guppy fish are known for their effective consumption of mosquito larvae, reducing the mosquito population in the area. these fishes help to control the diseases like malaria, dengue and chicken gunya.
- 2) Students have the opportunity to learn about responsible fish care and the maintenance of an aquatic ecosystem. This hands-on experience fosters a greater understanding of environmental stewardship, involving the local society in this eco-friendly initiative promotes community engagement and awareness about the importance of maintaining a healthy environment.

1. Name of organizing Department : **Department of Botany**
2. Name of Activity : Poster Competition (Voting Awareness).
3. No. of Participants : Students- 12, Teacher- 15
4. Date of Activity : 26thJanuary 2023

Details of Activity:

The theme of poster making competition was the” **VOTING AWARENESS**”. The competition was organized by the department of Botany on 26 January 2023. The program was inaugurated by Dr. R. D. Deshmukh Principal of R.D.I.K. & N.K.D College, Badnera. The competition was judged by Dr. Lata Hivse , Head department of Home Science and Dr. P. M. Deshmukh, head department of commerce. The professors and head department of other faculties from the college were also visited the event.

The systematic voters education and electoral participations program, is the flagship programs of the election commission of the India for vote literacy in India. The Head Department of Botany focused on voting awareness and gives the important instruction on the voting, to increase participation of people specially youth in voting process. He also told that voting is one of the ways you can express your opinion in a democracy. It gave the opportunity to choose their leaders and hold them accountable for there development. An active voting population protect democracy. He said that if everyone realized their vote matters, government would be significantly more representative.

Students made many posters to promote voting in villages as well as cities.

Students prepared posters on

- constitutions of India
- Panchayati Raj Jagrukta abhiyan.
- A nation of all is a straight
- Vote Jarur denge
- Matdan Jagruti

They are the names of posters made by students and make the people aware about voting.

Outcome of the Programs:

- It can lead to greater participation and motivate students to learn a specific topic.
- To understand the techniques and aesthetics behind an effective poster making.
- Students took part in activity and learned about democracy of India.
- Responsibility of being Indian was inculcated in the student. The patriotism is introduced in the student
- The voting habit promoted in the students as well as in the people.

1. Name of Organising Department : ZOOLOGY
2. Name of Activity : **Collection of flowers and garlands offered To Goddess during, Navaratri and Ganesha.**
3. Place of Activity : Durga Mandals in Badnera.
4. No. of Participants : Students – 27, Teachers -02
5. Date of Activity : 07/09/2022 & 04/10/2022

Details of Activity (In Brief):

During Navratri and Ganesha, which is a Hindu festival dedicated to the goddess Durga and Ganesha, it is customary for devotees to offer flowers and garlands as a symbol of devotion and respect. These offerings are made at temples and altars set up in homes. People often use a variety of flowers, including Marigolds, Roses, and Jasmine, to create vibrant and fragrant garlands. The garlands are meticulously crafted and can be quite elaborated. This flower and garland were thrown by the people anywhere as a waste which later create pollution, This practice is a significant part of the cultural and religious celebrations during Navratri & Ganesha.

Department of Zoology has taken these initiatives to use this flowers and garlands for Eco-friendly treatment like vermicomposting as a source of organic material. They provide a good carbon-to-nitrogen ratio, which is essential for the balance in a compost pile. However, it's important to ensure that the flowers and garlands are free from any non-biodegradable materials like plastic or metal wires. Dr. A. J. Gour, make aware students and devotee that when we throw this flower and garland in water this may cause pollution in water and gets bioaccumulates in animal and human also, causes some serious health hazards to aquatic creatures.

Collection from Temples: Students visited local Ganesh Mandal, Durga Mandals of Badnera during Navratri to collect used flowers and garlands that had been offered to the goddess.

Segregation: The collected flowers were segregated to remove any non-biodegradable materials like plastic or other waste.

Vermicomposting: The organic waste, primarily consisting of flowers and garlands, was then used as feed for a vermicomposting setup.

Vermicomposting Process: Students actively contributed to the setup and maintenance of the vermicomposting system. They fed the organic waste, primarily consisting of the collected flowers and garlands, to the earthworms.

Outcome of the Programme:

- 1) It reduced the amount of organic waste that would otherwise have been disposed of improperly could be used in local organic farming, promoting sustainable agriculture.
- 2) This activity raised awareness about the importance of responsible waste management and eco-friendly practices.
- 3) Such programs can serve as educational tools, teaching communities about the benefits of composting and sustainable waste management practices.
- 4) It encourages community participation and cooperation in sustainable practices, fostering a sense of collective responsibility towards the environment.

1. Name of Organizing Department : ZOOLOGY
2. Name of Activity : **Blood Group Detection Camp**
3. No. of Participants : Students -112, Teachers-02
4. Date of Activity : 28th September, 2022

Details of Activity (In Brief)

Most of the girl student of college are from educationally, socially, economically backward background and from rural/ slum area, they don't know their blood group. Therefore, department of zoology organized blood group detection camp for the student on **28/09/2022** on the occasion of 'International Women Day'. Blood group of 112 girl students are detected with the help of Gurukrupa pathology laboratory on this occasion.

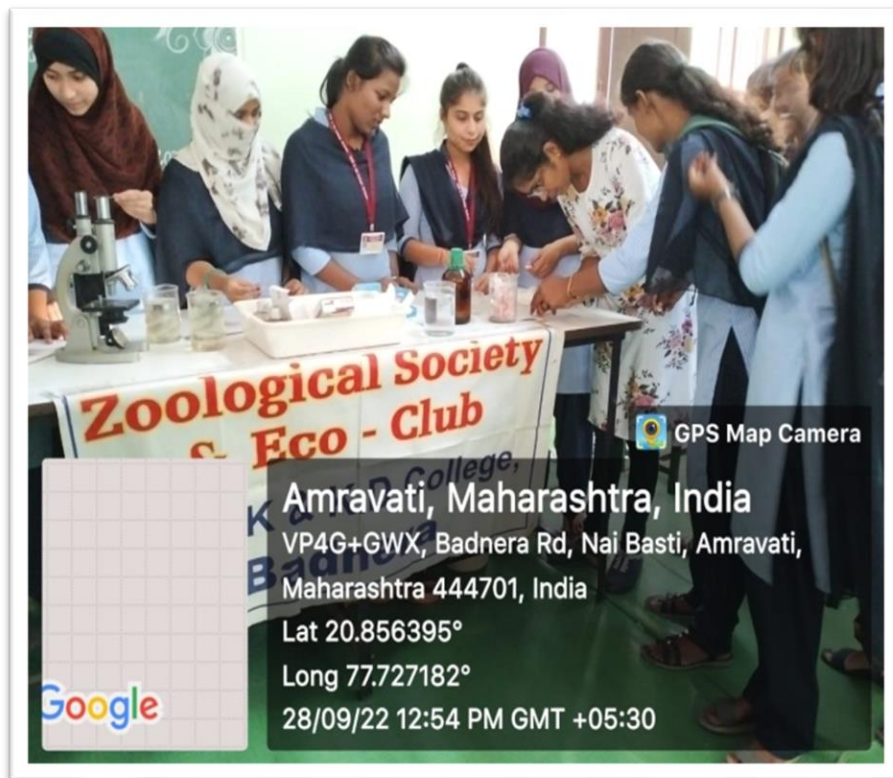

Outcome of the Program:

The outcome of the Blood Group Detection Camp was a well-informed and empowered group of 112 Girl Student, who now understand the significance of blood groups. They left with knowledge about their own blood types, which could prove vital in medical emergencies. The program also inspired a sense of altruism, encouraging participants to consider blood donation as a way to help others. Through certificates and appreciation, their active involvement was recognized, fostering a spirit of community well-being and learning among the attendees.

1. Name of organizing Department : **Department of Botany**
2. Name of Activity : Extension Activity on Awareness of Medicinal Plants at Village Uttamsara
3. No. of Participants : Students- 18, Teacher- 03
4. Place of Activity : Uttamsara village
5. Date of Activity : 13thMarch 2023

Details of Activity:

All the B. Sc. I year students attended this awareness activity of 'Medicinal Plants' activity. In the activity seven students presented different medicinal plant and gave information about its medicinal importance. Plant sapling prepared by students distributed among the villagers, like Aloe vera, Asparagus racemosus, Catharanthus roseus, Ocimum sanctum, Rauwolfia serpentina, Tinospora cordifolia and Withania somnifera.

- 1) Rauwolfia serpentina: The root of the plant is used in to a powder form or sold in tablets. It is snake like in appearance which is used to treat snake like in appearance which is used to treat snake bites, insomnia, high blood pressure and mental illness.
- 2) Withania somnifera: commonly known as Ashagandha or winter cherry students informed the medicinal properties of Withania somnifera. It is used in anxiety, cancer, microbial infection, and immune modulation and neurodegenerative disorders.
- 3) Catharanthus roseus: commonly known as bright eyes, cape periwinkle, graveyard plant. This plant is used in cancer and diabetes, root paste is used in septic wounds. Root decoction is used in fever, leaves, are used in menorrhagia, leaf juice is used in blood dysentery while the latex is used in scabies, muscle pain etc.
- 4) Tinospora cordifolia: Student said that it is a widely used plant in folk and Ayurvedic system of medicine. Its root, stems, and leaves in Ayurvedic medicine. It is used in the treatment of fever, jaundice, chronic, diarrhea, cancer, dysentery, bone fracture, pain , asthma, skin disease, poisonous insect, snake bite , eye disorders.

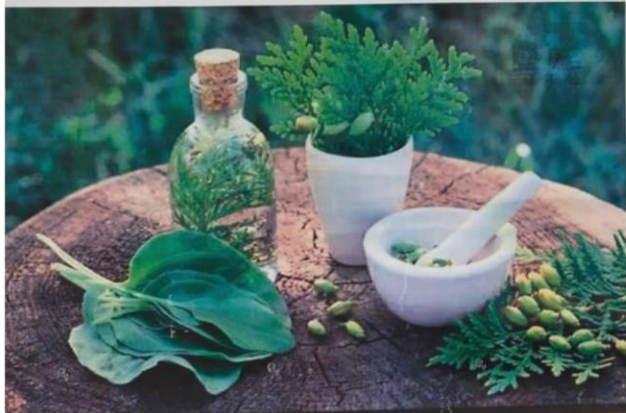

Outcome of the Programs:

- Students created awareness among community, students and faculty members regarding uses and conservation of medicinal plants.
- Student helped in identification of locally available medicinal plant
- Students planted medicinal plants in their grouped
- They provided material for plant medicinal herbs
- The villagers got role of medicinal plants in diseases prevention.
- They distributed medicinal herbs to the village people through the action

गाडगेबाबा के विचार विकास के लिए जरूरी

आरडीआयके कालेज में श्रमसंस्कार शिविर का समापन

■ अमरावती, ब्यूरो. विदर्भ यूथ वेल्फेअर सोसायटी द्वारा संचालित बैरिस्टर आरडीआयके व केडी महाविद्यालय के राष्ट्रीय सेवा योजना द्वारा नांदगांव खंडेश्वर तहसील के जलू गांव में आयोजित विशेष श्रम संस्कार शिविर का हाल ही में सफल समापन हुआ. इस शिविर में मानव विकास से संबंधित कार्यक्रमों जैसे ग्राम स्वच्छता, व्यक्तित्व विकास, स्वास्थ्य जागरूकता, महिला सशक्तिकरण, अंधश्रद्धा निर्मूलन, पर्यावरण प्रबंधन, कृषि एवं प्रौद्योगिकी, विज्ञान एवं कम्प्यूटरीकरण आदि पर बल दिया गया. शिविर का उद्घाटन संत गाडगेबाबा अमरावती विश्वविद्यालय अमरावती के सीनेट सदस्य प्रोफेसर

डा. संतोष बनसोड़ ने किया और समापन कॉलेज के प्राचार्य डा. आरडी देशमुख ने किया. अंत में डॉ. आरडी देशमुख ने विचार व्यक्त किया कि संत गाडगेबाबा के जीवन विचार छात्रों के साथ-साथ ग्रामीणों के व्यक्तित्व को आकार देने में उपयोगी हैं. शिविर की सफलता के लिए गांव की सरपंच साधना इंगोले, उपसरपंच मोहोड़ समेत ग्रामस्थ संजय गोलाईत, भीमराव चक्रे, प्रभा मेश्राम आदि ने सहयोग किया. उसी प्रकार प्रा. संजीव जगताप कार्यक्रम अधिकारी, प्रा. सीमा मेश्राम महिला कार्यक्रम अधिकारी, प्रा. अतुल पाटील, प्रा. संजय थोरात, प्रा. विद्या महल्ले, प्रा. वैशाली भाकरे आदि ने परिश्रम लिए.

1. Name of Organising Department : **Department of Statistics**
2. Name of Activity : Statistical Survey 2021 – 22
Covid and Vaccination Awareness
3. Place of Activity : Jalu,
Taluka – Nandgaon Khandeshwar
District - Amravati
4. No. of Participants : Students 28 Teachers 2 Other 2
5. Date of Activity : 6th January, 2022

Details of Activity (In Brief):

A statistical survey titled ‘Covid and Vaccination Awareness’ by the students of Department of Statistics, Bar. RDIK and KD college, Badnera was conducted at village Jalu, Tehsil - Nandgaon Khandeshwar, District – Amravati on 06/01/2022.

Before conducting the survey prior permission was taken from the Village Sarpanch to conduct the survey. Seven groups of students comprising four students each were formed. Each group was assigned the job of collecting information from 15 households in the village. Students collected the information whether all family members above 18 years were vaccinated or not. If vaccinated, he or she has taken both the doses or not. Students asked about vaccination facility available in the village.

Students made family members aware about the importance and need of vaccination. It can protect them from the deadly corona virus. Government is providing free vaccines to all and people should take both doses of vaccination. Students also guided them about the precautions to take. People should use masks, sanitizers, follow social distancing and avoid going in crowds. 28 students of B.A. I, B.A. II and B.A. III of Statistics Department participated in this activity.

Results obtained –

Number of total families surveyed	:	128		
Total Number of Male above 18 years	:	224		
Total Number of Female above 18 years	:	212	Total	: 436
Number of persons who have taken one or two dose of vaccination: 416 = 95%				
Number of persons who have taken only one dose of vaccination : 218 = 50%				
Number of persons who have taken two doses of vaccination : 198 = 48%				
Number of persons who have not taken any vaccination : 20 = 5%				
Number of deaths due to Corona : 1				

It was found that 20 people in the village had not taken any dose of vaccination. They were counselled and advised to take vaccination as it will help them to stay safe. This people also agreed to take vaccination.

After completion of the survey and analysis of data, Department of Statistics wrote a letter to Sarpanch briefing him about the outcomes. He told that there are some persons without vaccinations so the village authorities should make arrangement for vaccination.

Our college received a letter of appreciation from Sarpanch of the village. He thanked Principal Dr.R.D. Deshmukh and Department of Statistics for bringing awareness among villagers about Corona virus, precautionary and vaccinations.

Outcome of the Programme –

- i. The survey enabled students to learn effective communication, speak, write and listen clearly in person.
- ii. Students were able to differentiate between primary and secondary data.
- iii. Students became familiar with handling, collecting and analysing the data.
- iv. The survey spread awareness about Covid-19 and preventive measures against infection amongst the villagers.
- v. People realised the importance of washing hands continuously, wearing masks, during gathering, avoiding direct hand touch with nose, eyes or mouth.
- vi. Realised the necessity of vaccination and taking both doses of the vaccine.
- vii. Till today there was only one covid patient found in the village who died eventually. The diseased persons had not taken any vaccination.

विषय: दि. ११/११/२०२२ रोजी झालेल्या सर्वेक्षणाबाबत.

महोदय,

वडनेरा येथील वीर आर डी आय के व के डी महाविद्यालयातील सांख्यिकी विभागातर्फे जळू ग्राम येथे कोरोना जनजागृती अभियानाअंतर्गत विद्यार्थ्यांमार्फत गावकऱ्यांचे सर्वेक्षण करण्यात आले. जळू येथील १८ वर्षांपेक्षा अधिक वय असलेल्या ५३६ व्यक्तींचे सर्वेक्षण केले असता असे लक्षात आले की ११८ व्यक्तींनी कोरोना प्रतिबंधक लसीचे दोन डोस घेतले असून, २१८ व्यक्तींनी लसीचा केवळ एक डोस घेतलेला आहे. आणि २० व्यक्तींनी कोरोना प्रतिबंधक लसीचा अद्याप एकही डोस घेतलेला नाही. आपणास विनंती आहे की या २० व्यक्तींसाठी मान्य तसेच ज्यांचा एक डोस घेणे बाकी आहे अशा व्यक्तींसाठी गावात लसीकरणची सुविधा उपलब्ध करून देण्यात यावी, जेणेकरून कोरोना रोगापासून नागरिकांचा बचाव होईल.

करीता आपल्या माहितीस्तव सादर.

प्राचार्य-

आर डी आय के व के डी महाविद्यालय, वडनेरा.

भा. प्राचार्य सोहब

आज दि 1/9/2022 रोजी आमचे गाव जळू येथे आपल्या महाविद्यालयातील सांख्यिकी विभागाचे विद्यार्थी व प्राध्यापक यांनी भेट दिली. त्यांनी गावात कोरोना जनजागृती या विषयावर सर्वेक्षण घेतले. गावातील प्रत्येक घरी भेट देऊन विद्यार्थ्यांनी गावकऱ्यांसोबत चर्चा केली कोरोना विषाणू, त्यापासून असणारा धोका, कोरोना होऊ नये म्हणून घ्यावयाची काळजी व दक्षता इत्यादी विषयांवर गावकऱ्यांशी चर्चा करून त्यांचे उद्बोधन व मार्गदर्शन केले. सोबतच कोरोना लसीकरणाची आवश्यकता व फायदे समजावून सांगितले.

आपल्या या उपक्रमाचा गावास चांगला फायदा झाला. सर्व गावकरी मार्क, सॅनीटायझर चा वापर करित असून सोशल डिस्टन्सिंगचे पालन करित आहेत गावकऱ्यांच्या मनात असलेली कोरोनाची भीती कमी झाली आहे.

याबद्दल मी सर्व गावकऱ्यांते आपले आभार मानतो. भविष्यात देखील आपले असेच सहकार्य मिळत राहील अशी अपेक्षा बाळगतो.

धन्यवाद.

Activity (In Brief):

Because of pandemic situation, Online guest lecture for girl students and their female parents was organized on 7/8/2021. Topic of the lecture was ‘Women Health Care During Covid-19’. Renowned gynecologist from the city. Dr .Ms Rashmi Nagalkar MBBS DGO was guest speaker. She shared her valuable advice on how to maintain physical and mental health, about nutrition and diet of women.

As everyone knows, people are in great fear and are very much worried because of sudden outbreak of Covid-19. This is a challenging time and everyone especially women should take care of themselves as well as their family members. To boost up the immunity power of children and aged persons, they should be given nutritious food comprising minerals and vitamins.

She also emphasized on need of counselling in this covid-19 pandemic situation as there is a feeling of sadness and depression around. She talked about the preventive measures to protect from Covid-19 such as frequent sanitization, social distancing and wearing masks.

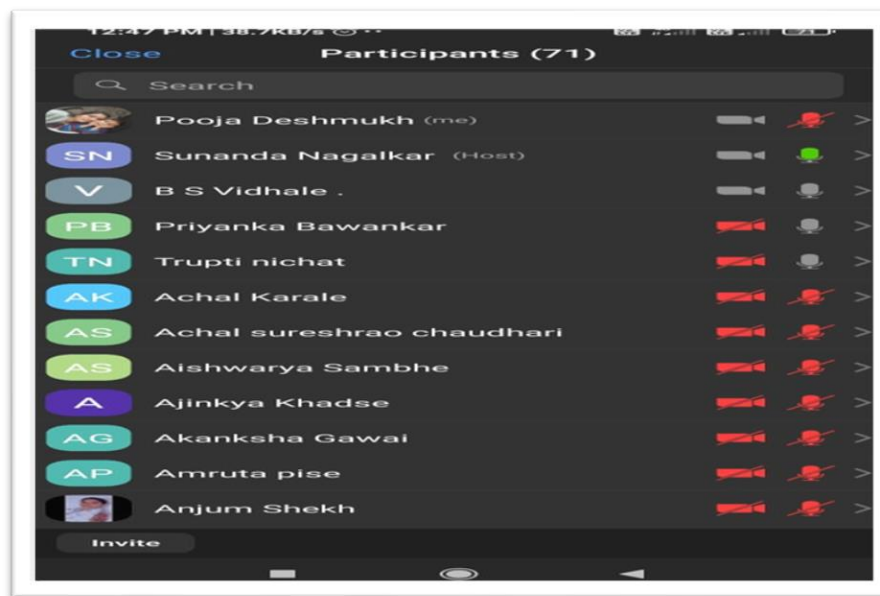

Outcome of the Programme:

1. Students and parents became aware of Covid-19 pandemic situation.
2. Students, parents and staff were made aware of reasons of spread of corona virus.
3. The lecture helped dispel misinformation about the corona virus.
4. Participants become cautious about proper diet and nutrition to strengthen the immunity power.

Dear Madam

We express our sincere thanks for accepting our invitation as chief guest and for delivering a lecture on "Women health care during COVID pandemic" at a programme virtually organized by Women Empowerment Cell of our college on 7/8/2021.

We are grateful to you for sparing your valuable time with our students. This will definitely help them in their future life.

Thank you.

1. Name of Organising Department : **Department of Geography**
2. Name of Activity : Moon Observation
3. Place of Activity : At. Pala Tq. Nandgaon (Kh.) Dist. Amravati
4. No. of Participants : Students 05 Teachers 07 Other 65
5. Date of activity : 15th May, 2022

Details of Activity (In Brief):

On May 15, 2022 between 7.00 P.M. to 10.00 P.M. Moon Observation Programme was organized by Department of Geography for the villagers of Pala village through telescope. Along with this, the villagers were guided on “planets and stars – faith and superstition”. The chairperson of this Programme was Dr. Vijay Mete, Head of Mathematics department. Mr. Pravin Gulhane, resident, Marathi-Vidnyan Parishad was also present. He explained how Moon was formed. Mars-sized objects crashed into earth millions of years ago. It sent materials from earth and from the object that struck it, flying into space. Some of this debris stuck together to make the moon.

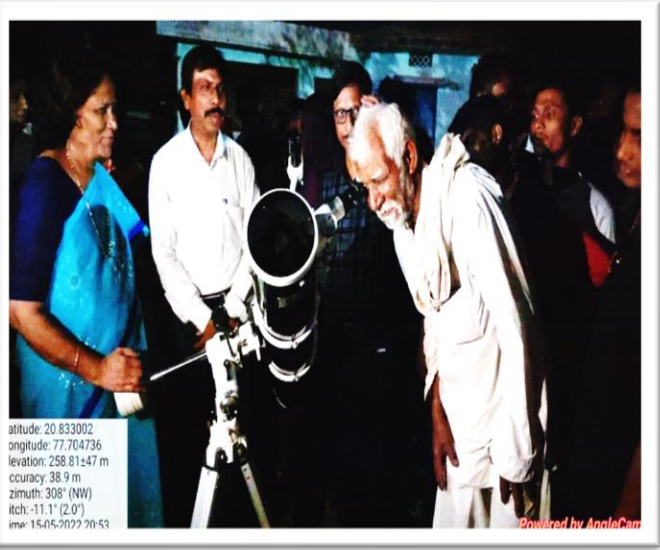

Dr. Manoj Gathe thanked the participant. 65 villagers, Dr. P. M. Deshmukh, Dr. Nakul Deshmukh, Dr. Sagar Padole were present. On this occasion all the villagers were made to see the Moon through two telescopes.

Outcome of the Programme:

- Moon Observation gave detailed information about the moon.
- Craters on the Moon were clearly seen.
- The villagers got the satisfaction of actually watching the Moon.
- It the only bright thing that illuminates our eyes when the universe is dark.
- Superstitions related to the Moon were removed.
- Developed and understanding of relative positions of the Sun, Moon and the Earth.
- Students learnt about varying length of daylight and darkness.

चंद्र निरीक्षण के लिए उमड़ी भीड़ खगोलशास्त्र, अंधश्रद्धाओं पर किया मार्गदर्शन

■ अमरावती, ब्यूरो. विदर्भ युव वेलफेअर संस्था द्वारा संचालित आरडीआयकेकेडी महाविद्यालय बडनेरा के भूगोल विभाग द्वारा बुद्ध पुर्णिमा की पूर्व संध्या नांदगाव खंडेधर के पाला गांव में चंद्र निरीक्षण कार्यक्रम आयोजित किया गया था. जिसमें बड़े उत्साह से अनेक लोग शामिल हुए. विज्ञान क्षेत्र में खगोलशास्त्र एक मनोरंजक विषय है. जिसके प्रति लोगों में जागृती फैले. उनकी रुचि बढ़े. वेसे ही समाज में मौजूद ग्रह - तारों से जुड़ी अंधश्रद्धा दूर हो. इस उद्देश्य से कार्यक्रम का आयोजन किया गया.

ग्रहों का जीवन से नहीं कोई संबंध कार्यक्रम की अध्यक्ष प्रा.डा. अरुणा पाटील ने कहा, बड़ी संख्या में लोग ग्रहों की दशा को अपने जीवन से जोड़कर देखते हैं जो महज उनकी गलतफहमी है. इस प्रकार के कार्यक्रम ऐसी सारी गलतफहमियों को दूर करते हैं. कार्यक्रम के प्रमुख गणभाग्यों में एक प्रीण गुहाणे भी थे जिन्होंने तारों और उनसे जुड़ी अंधश्रद्धा विषय पर गाववासियों में जागृकता फैलाई. दैनिक जीवन अनुभव और ग्रह-तारों इन्कम व्यक्तिक जीवन से कोई संबंध नहीं ऐसा उन्होंने स्पष्ट किया. डा.मेटे ने भी कहा की ग्रहों का कोई स्वयं किसी के जीवन से नहीं होता और ऐसी अंधश्रद्धा समाज से लुप्त होते ही, समाज विज्ञान की ओर अग्रसर होगा.

सौरमंडल में सूर्य एकमेव स्वप्रकाशित

डा.मनोज गावे ने बताया कि एकमेव सूरज के अलावा कोई भी ग्रह स्वप्रकाशित नहीं, जिस कारण उसके प्रकाश से मानव जीवन प्रभावित हो ऐसा समझ नहीं. कार्यक्रम के अध्यक्ष महाविद्यालय प्राध्यापक डा.विजय मेटे और प्रमुख अतिथि रूप में मराठी परीक्षद अध्यक्ष प्रवीण गुहाणे रहे. कार्यक्रम की प्रास्तावना प्रा.डा.अरुणा पाटील ने प्रस्तुत की. बड़ी संख्या में गाववासी कार्यक्रम में सहभागी हुए. जिसमें महाविद्यालय के प्राध्यापक पारस देशमुख, प्रा.डा. नक्षत्र देशमुख, प्रा.डा. सागर पडोले, विद्याजी अमर दाहगे, धीरज पवार, आदेश मेटे, आवल मेटे, अमन गजभिडे, प्रशांत वासनिंक तथा अन्य विद्यार्थी भी उपस्थित थे.

बुद्ध पौर्णिमेच्या पूर्वसंध्येला चंद्रदर्शनाचा कार्यक्रम

अमरावती/आर.डी.आय.के.के.डी. विदर्भ युव वेलफेअर संस्थेद्वारे संचालित आरडीआयकेकेडी महाविद्यालय बडनेरा के भूगोल विभाग द्वारा बुद्ध पुर्णिमा की पूर्व संध्या नांदगाव खंडेधर के पाला गांव में चंद्र निरीक्षण कार्यक्रम आयोजित किया गया था. जिसमें बड़े उत्साह से अनेक लोग शामिल हुए. विज्ञान क्षेत्र में खगोलशास्त्र एक मनोरंजक विषय है. जिसके प्रति लोगों में जागृती फैले. उनकी रुचि बढ़े. वेसे ही समाज में मौजूद ग्रह - तारों से जुड़ी अंधश्रद्धा दूर हो. इस उद्देश्य से कार्यक्रम का आयोजन किया गया.

ग्रहों का जीवन से नहीं कोई संबंध कार्यक्रम की अध्यक्ष प्रा.डा. अरुणा पाटील ने कहा, बड़ी संख्या में लोग ग्रहों की दशा को अपने जीवन से जोड़कर देखते हैं जो महज उनकी गलतफहमी है. इस प्रकार के कार्यक्रम ऐसी सारी गलतफहमियों को दूर करते हैं. कार्यक्रम के प्रमुख गणभाग्यों में एक प्रीण गुहाणे भी थे जिन्होंने तारों और उनसे जुड़ी अंधश्रद्धा विषय पर गाववासियों में जागृकता फैलाई. दैनिक जीवन अनुभव और ग्रह-तारों इन्कम व्यक्तिक जीवन से कोई संबंध नहीं ऐसा उन्होंने स्पष्ट किया. डा.मेटे ने भी कहा की ग्रहों का कोई स्वयं किसी के जीवन से नहीं होता और ऐसी अंधश्रद्धा समाज से लुप्त होते ही, समाज विज्ञान की ओर अग्रसर होगा.

1. Name of Organising Department : **Department of Geography**
2. Name of Activity : Water Survey
3. Place of Activity : At. Siddhanathpur Tq. Nandgaon (Kh.)
Dist. Amravati
4. No. of Participants : Students 63 Teachers 03
5. Date of activity : 29th April, 2022

Details of Activity (In Brief):

Water is very important natural gift among the many gifts given by nature to human beings. Due to scarcity of water during summer season, water has to be supplied by tankers in the district. A water survey was conducted in the village Siddhanathpur on April 29, 2022 to know the water problem of Siddhanathpur, a remote village, 20 Kms. away from Badnera.

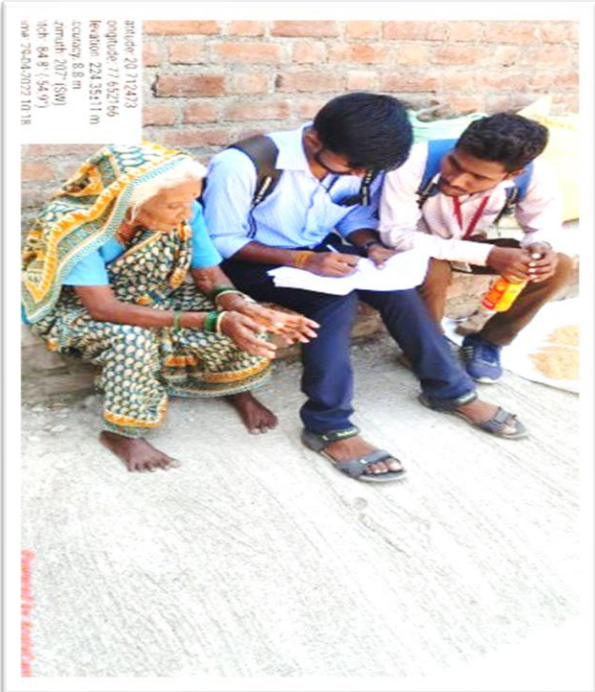

63 students of B.A. Part III under the guidance of Dr. Manon Gathe carried out this survey. 33 groups of two students each collected information from 166 houses in the village through questionnaire. They gathered information about availability of water resources in the village, whether they have easy access to it, the water storage system in houses and how far away villagers go to fetch the water during summer. Students, through interaction with villagers made them aware about importance of water conservation.

Outcome of the Programme:

- Through the survey students learnt the importance of water.
- Learnt to collect primary data.
- Water awareness was created through water survey.
- Students were able to study the water condition in the village.
- Students understood how to write excellent reports from primary data.

2. Name of Activity : **Workshop on Embroidery Stitches (Online)**
3. Place of Activity : From Pardi, Badnera
4. No. of Participants : Students 1, Rural women 9 Teachers 02
5. Date of Activity : 4 FEB 2021

Details of Activity:

Department of Home Economics organised, one day workshop on 'Embroidery skill' through online mode. Students were trained and guided by Dr. Lata Hiwase and Dr. Shital Rathod.

Students were given demonstration of different types of stitching patterns.

They were made to learn these patterns by doing and learning method. Through this training Miss. Amruta Pise of B.A first year student took an initiative to teach the nonworking women of the society for their empowerment. She taught them different Embroidery stitches such as chain stitch, feathery stitch, wheat stitch, Full stitch etc. In all 9 rural women were involved.

Outcome of the Programme :

- Rural women enjoyed learning the new skills of embroidery stitches.
- It helped students and women to create good bond to exchange ideas in future.
- It developed critical thinking ability among students.
- It helped to boost the confidence level among students.
- It encouraged women to be independent by employing themselves.

Details of Activity (In Brief):

During special rural camp various cultural programmes were arranged and conducted for awakening people; enlighten people, to remove blind faith, irradiation of superstition and differences to establish harmony. The various cultural activities are

1. Kirtan (Collective Programme) of Ramesh Monge Maharaj.
2. Lokjagar by Shayam Puri Maharaj.
3. Cultural activities of volunteers.

Outcome of the Programme:

- Improved academic performance builds self-confidence, increase sense of commitment and enhance social skills in students.
- It is community awakening and enlightening.
- It is helped in bringing local communities together and flourished equality and fraternity.
- Boosted happiness, cultural sensitization, national integration.
- Helped in Removing addiction, superstition, differences and conflicts.
- Students and villagers get aware about the professional ethics, gender equality, human values and constitutional obligation

3. Place of Activity : Mill Chall, slum Area New town. Badnera Rly
4. No. of Participants : Students **26** Teachers **04** Other**03**
5. Date of Activity : 7th February, 2020

Details of Activity :

Corona Virus Awareness Campaign was organized by Dept. of Commerce & Management, Bar. RDIK & NKD College, Badnera on 7th of February, 2020 Along the students the Rally of Awareness was taken from College to Slum area Mill Chal Badnera. Under the supervision of Dr. Pravin Deshmukh and Dr. Nakul Deshmukh students spread knowledge about Covid 19 through slogans and information. Dr. Nakul Deshmukh made public aware about this virus through showing picture of this virus. He also stressed on “Not to Panic” but to follow the rules to get rid of the infection. He also shared information of Pandemic situation which had just been started in India and worldwide. Shared, knowledge about the Corona Virus, Safety Measures to prevent from virus, Symptoms of Corona Virus and how the virus is spreading among people. They also clearly explained the ways to improve our immunity of body and food style which could prevent from viral infections. It was a great experience of students, working for society. As a part of the society, they should spare some time for the down trodden in our society. Thus, the value of Philanthropy got incorporated in them.

Outcome of the Programme:

- People got empowered with the knowledge of Corona Virus, to take precautions against it and to choose healthy habits. Public Awareness among Tally Public sanitation.
- People got opportunity to take accountability for their health issues.
- People became aware about precautions to be taken against Covid 19 virus. The students, staff and local community people sensitized about the spread of Corona Virus and its prevention.
- Students were motivated to work for society which would be helpful for their future development.
- Students got opportunity to learn life skills such as team work, leadership, creative thinking, research etc.

कोरोना वायरसवर जनजागृती अभियान एनकेडी कला-वाणिज्य व विज्ञान महाविद्यालयाचे आयोजन सकाळ वृत्तसेवा

अमरावती, ता. ८ : विदर्भ युथ वेलफेअर सोसायटी द्वारा संचालित बडनेरा येथील बॅरी, आरडीआयके व एन. के. डी. कला वाणिज्य व विज्ञान महाविद्यालयातील वाणिज्य व प्रबंधन विद्याशाखा अंतर्गत कोरोना वायरस आजारवर जनजागृती अभियान राबविण्यात आले.

चीन येथील वुहान शहरामधून जगभर मुत्सुर्ध्व दैमान पसरलेल्या संसर्गजन्य कोरोना वायरसवर बडनेरा शहरातील मिलचाळ परिसरातील नागरिकांना विद्यार्थ्यांमार्फत जनजागृती करण्यात आली. यामध्ये बी. कॉम भाग १, २ व ३ विद्यार्थ्यांचा उत्स्फूर्तपणे सहभाग होता.

विद्यार्थ्यांनी चरोघरी जाऊन परिसरातील नागरिकांना कोरोना वायरसबद्दल माहिती दिली. त्यामध्ये प्रामुख्याने कोरोना वायरसची लागण कशी होते, ती होऊ नये म्हणून आपण नेमकी काय खबरदारी घ्यायला हवी, लागण झाल्यास त्यावर काय उपाययोजना करायला हवीत तसेच

अमरावती : रॅलीत सहभागी महाविद्यालयाचे विद्यार्थी व शिक्षक.

त्याबद्दलची कोणती तपासणी कुठे व कशी करायची याबद्दलची सविस्तर माहिती नागरिकांना दिली. विद्यार्थ्यांना चरोघरी नागरिकांकडून सकारात्मक प्रतिसाद मिळाला हे विशेष. कोरोना वायरसच्या उपाययोजनेबद्दल शक्य तितका प्रसार आणि प्रचार आपल्या शेजारी तथा नातेवाईकांनापर्यंत करण्याचे आवाहन विद्यार्थ्यांनी केले. या जनजागृती अभियानात विशेषत्वाने विद्यार्थ्यांनी उत्स्फूर्त सहभाग घेतला. महाविद्यालयाचे प्राचार्य डॉ. आर. डी. देशमुख यांच्या नेतृत्वात आणि वाणिज्य तथा प्रबंधन विद्याशाखेचे

विभागप्रमुख डॉ. प्रवीण एम. देशमुख यांच्या मार्गदर्शनात करण्यात आले. या अभियानात विभागातील सहायक प्राध्यापक डॉ. नकुल देशमुख यांनी नागरिकांना कोरोना वायरस बद्दल माहिती दिली.

सोबतच महाविद्यालयातील प्राध्यापक डॉ. प्रवीण मुरादे, प्रा. बी. एस. गोसावी, प्रा. वैभव भगत यांची उपस्थिती होती.

सागर आगरकर, चैताली लवंगे, मयुरी राऊत, मयूर भोवते, प्रतीक श्रीखंडे आदी विद्यार्थ्यांनी परिश्रम घेतले.

1. Name of Organizing Department : ZOOLOGY
2. Name of Activity : **Eco- Friendly Ganpati.**
3. No. of Participants : Students – 20, Teachers-02, Other -01
4. Date of Activitiy : 20th September, 2019

Details of Activity (In Brief)

On 20th September 2019, Department of Zoology organized a programmed to create awareness among students, about the various types of pollutions being caused due to festival celebrations. Dr. S.V.Deshmukh, Head, Department of Zoology told that all over India Especially in Maharashtra people celebrate Shri Ganesha festival with enthusiasm Generally these devotees used idols of plaster of paris having chemical colored. When we immerse these idols in rivers, lakes and other water bodies, these idols do not settle at the bottom of water bodies, as the plaster of Paris is not soluble in water. These idols are painted with various chemical paints which pollute the water. The flowers offered to our deity are also thrown in water body which also pollutes the water and spared bad odour, gets bioaccumulates in animal and human also, it also causes some serious health hazards to aquatic creature.

To make the students aware about the adverse effects of plaster of Paris, chemical paints, thermo-coals, etc. which deteriorated our environment, Dr.S.V.Deshmukh, showed the film on topic “Eco-friendly Ganpati”. The film showcased various aspects of celebrating Ganpati in an eco-friendly manner. She explained Practice of creating Lord Ganesha idols from Natural Clay, and pollution caused after the emersion of these idols in water bodies and its effect on environmental, urged students to celebrate eco – friendly Ganesh festival by using idols made from shadu or natural clay. students, took an oath to Celebrate the festival in an eco-friendly manner. Avoid the use of non-biodegradable materials and synthetic colors. Promote eco-conscious celebrations in their communities. Spread awareness about the importance of environmental responsibility during festivals.

Outcome of the Programme:

- 1) Students are made aware about the pollution caused by idol prepared from plaster of paris.
- 2) Student got hands on training for making idol from clay.

3. Place of Activity : Dhabha Village
4. No. of Participants : Students- 22, Teacher- 04
5. Date of Activity : 17 February 2020

Details of Activity:

Department of Botany Organized the field visit at Dhabha Village B.Sc. I and B.Sc. II years Students on 17/02/2020. The department has distributed medicinal Plants to the people. Students gave information about medicinal plants to the village people. Students are given information about some medicinal plants listed below with common name, botanical name, family name and their uses on the diseases and ask them to plan the medical plants and earn money.

- 1) **Aloe Vera:** commonly known as Korphad belongs to family Liliaceae. This medicinal plant has been employed to treat skin problems, burns, wounds, anti-inflammatory process. It shows other therapeutic properties including anticancer, antioxidants, anti- diabetic and anti-hyperlipidaemic. People can use bottled Aloevera gel or take it directly from the leaf of an aloe plant. Regularly applying a small amount of its pulp to the face can help treat various skin diseases. Including acne, eczema and sunburn. When taken by mouth aloe gel is possibly safe if we take it for short term. It has been used safely in a dose of 15 ml daily for up to 42 days.
- 2) **Adathoda vasica:** Common name Adulsa from family Acanthaceae. It is effective against headache, colds, cough, whooping cough, fever, asthma, dyspnea, jaundice, chronic bronchitis and diarrhea. The leaves, root, flowers and bark of this plant have been used in the forms of decoction or powder.
It is also called 'Vasaka' in acute stage of Bronchitis, vasaka gives unfailing relief to relief from asthma dried leaves should be smoke. The juice from its leaves should be given in doses of 2 to 4 gms in treating diarrhea and dysentery. A powder of its leaves can be applied on wounds, rheumatic joints and inflammatory swellings gives beneficial results.

In bronchiectasis mixture of 20 ml of juice of vasaka leaves with 250 mg Black salt is useful. Students strictly advised to consult a doctor before taking it during pregnancy, lactation or if have any chronic diseases.

- 3) **Asparagus officinalis**: is commonly known as “Shatavri” it belongs to family Aspargaceae. Students gives the information on medicinal uses and effectiveness of Asparagus to the people. It is a plant widely grown as a vegetable the root and seeds are used to make medicine. It is also used for high blood pressure, obesity, kidney stones constipation.; students also give the information about Ashwagandha, Tulsi, Azadiracta (Neem), Emblica officinalis (Amla) etc and their uses in our lives.

Outcome of the Programs:

- Created awareness among villagers about the medicinal plants.
- Students got opportunity to connect with residents and share their resources.
- Helps in solving the rural problems and also help instill social responsibility, groom overall personality and create awareness on social issues.
- Students learned various medicinal plants and their uses in everyday life.
- Students clarified their role in the treatment of present diseases and how they can be used to produce more effective drugs.
- Students distributed medicinal plants like Asparagus, Rawlfia serpentine, Adathoda vasica, Emblica officinalis to the villagers.
- Students enjoyed and got the knowledge with enthusiasms.
- Farmers suicide can be prevented by using modern techniques in the agriculture activities.
- Farmers can harvest the crop of medicinal plants in their farm, it help them to increase the yielding source.

Details of Activity (In Brief)

:

World Sparrow Day was celebrated annually on 20th March its aim was to raise awareness about the conservation of sparrows and other urban birds. This report provides a brief overview of the significance and activities associated with this important day. On the occasion this year Dr. S.V Deshmukh Head, Department of Zoology delivered brief lecture to the Students about Sparrow Day. In her speech she lightened students with following point.

- 1) Need of sparrow.
- 2) Current population.
- 3) Causes of decrease in population
- 4) Adverse effect on environment.
- 5) Steps to be taken to increase the population.

Outcome of the Programme :

- 1) Student got aware about the importance of Sparrow and need of saving sparrows.

1. Name of Organising Department : ZOOLOGY
2. Name of Activity : **Workshop on Vermicompost**
3. No. of Participants : Students-10 , Teachers -05, Other -05
4. Date of Activity : 21st August, 2019

Details of Activity (In Brief) :

Department of Zoology organized Workshop on vermicompost for the students, people of nearby area and Villagers on dated 21th August 2019. Resource person Dr. Mangala Bhamburkar, Microbiologist, Parikshit Biotech, Amravati gave demonstration on how to prepare vermicompost bed. She told that first of all make aeration of soil with the help of aeration tool. Put organic waste in vermicompost project tank then add thin layer of cow dung and Agriculture waste. Spray water over it up to 3 days to cool down the bed because earthworm require cooler temperature to live. It will be die or go deeper which is not beneficial. After that add earthworm in that bed and again thin layer of cow dung and agriculture waste add over it. Spray water on it for cooler. Now bed is ready and earthworm make fertilizer within 3 months.

Outcome of the Programme:

- 1) Participants, including students, faculty, and local community members, gained a deeper understanding of the process of preparation of vermicompost Bed, vermicomposting, and the importance of worm compost in agriculture, and how to create their vermicompost.
- 2) The workshop raised awareness about the environmental benefits of vermicompost, including its role in reducing waste and improving soil fertility, thus promoting sustainable and eco-friendly practices.
- 3) The event encouraged community members to actively participate in sustainable agriculture and environmental conservation efforts, fostering a sense of shared responsibility.
- 4) Dr. Bhamburkar's demonstration inspired participants to apply what they had learned in their own homes, gardens, or local agricultural projects, thereby contributing to broader environmental sustainability.

 Dr. Mrs. S. V. Deshmukh
 Head, Department of Zoology

1. Name of Organizing Department : **Department of Botany**
2. Name of Activity : Farmers Awareness Workshop
3. No. of Participants : Farmers -15 , Teacher- 05
4. Date of Activity : 28thAugust 2019

Details of Activity:

The department of botany organized 'Farmers awareness workshop' under the aroma mission of India at Bar. R. D. I. K. and N. K. D. college, Badnera by joint vectors of CSIR-Central Institute for medicinal and aromatic Pharm Lucknow and Nanaji Deshmukh Krushi Sanjivani Prakalp (POCRA). The speakers for the program were Shri. Vijay Kolekar, Shri Girish Kulkarni CSIR and Shri. Vijay Chavhale, District Agricultural superintendent. Nanaji Deshmukh Krushi Sanjivani Prakalp (POCRA) Is Maharashtra government approved yojna, Rs 4000 crore project aimed at promoting climate-resilient agriculture. This scheme has been named after social activity of Nanaji Deshmukh who has worked in fields of education, health and rural self-reliance. Mr. Vijay Kolekar gave the detailed information on this Yojana. He said that the scheme was implemented in 5,142 villages across 15 district to improve soil quality, develop food grain varieties which can sustain climate variation and effect, and necessary changes in crop pattern as per the availability of water in a particular region. From this program he awared the farmers about how to improve the agriculture yields and overcome the problem of climatic changes as well as promote the quality of soil such a way that quality of food grains produced can be improved, and cultivate new variety of grains that will more sustainable and adaptable to climatic changes

He explain various scheme for farmers like

- 1) Tree plantation
- 2) Falbag Cultivation
- 3) Poly house
- 4) Shade net house
- 5) Sericulture
- 6) Bamboo cultivation
- 7) Honeybees culture
- 8) Fresh water fishing
- 9) Vermicompost

10) Drip irrigation

11) Goat farm

12) Poultry farm

Under this scheme small and medium scale farmers who has farm up to 2 hector they got 75% of capitals and above 2 hectors but below 5 hector farm they got 65% capital for farming.

Under this scheme farmers also got different subsidies like seed processing equipment, seed production variety, seed storing house.

CSIR- Central Institute for Medicinal and aromatic pharm Lucknow.

Central Indian Medicinal Plants Organization (CIMPO) in 1959, CIMAP is steering multidisciplinary high-quality research in biological and chemical science and extending technologies and services to the farmers and entrepreneurs of medicinal and aromatic plants (MPPS).

Shri Girish Kulkarni shared the information about medicinal and aromatic plants and he said that CIMAP has been creating scientific knowledge base relevant to MAPS for its efficient utilization, facilitating the lab and market journey of medicinal and aromatic crops (MACS) through several important publications. He stated the meaning of aromatic plants are those that contain aromatic compounds basically essential oils that are volatile at room temperature. These essential oils are odorous, volatile, hydrophobic and highly concentrated compounds.

The Girish Kulkarni also said that central institute of medicinal and aromatic gas research headquarter is at Lucknow and research Centre at Banglore, Hyderabad, Pantangasc and Purara. It also contributes to the Indian economy through its research CIMAP has released several verities of MAPS. their complete agro-technology and past harvest packages which have revolutionized MAPS cultivation and business scenario of the country. The aromatic plants can cultivate according to the suitable climatic condition like

Sr. No.	Plant Name	Botanical name
1	Lemon grass	<i>Cymbopogon flexuosus</i>
2	Citronella	<i>Cymbopogon winterianus</i>
3	Rosa grass	<i>Cymbopogon martini</i>
4	Citrodara oil	<i>Eucalyptus citriodora</i>
5	Clove	<i>Syzygium aromaticum</i>

Plant like clove belongs to family of Myrtaceae, is used for upset stomach and as an expectorant among other purposes. The oil is used as fungicide and bactericide.

Lemon grass is equally versatile in the garden as well as used for the fragrance and flavoring agent and in folk medicine as an antispasmodic, hypertensive, anticonvulsant, analgesic, antiseptic and treatment for nervous and gastro-intestinal disorder and fevers, it is also useful in anticancer, diabetes, colds, bloating, treating anemia, removes toxins, bad cholesterol and skin diseases.

For this workshop 15 farmers from various villages were present, like Nadgaon tashil, Uttamsara, Loni, Pala, Vathoda etc

Outcome of the Programs:

- Farmers got aware about recent different agriculture techniques.
- It created awareness among the farmers about different agriculture schemes of government on agricultural marketing and infrastructure.
- It gave detail knowledge about agriculture sectors; it provides knowledge on working of different farm implementations.

CSIR - AROMA MISSION

1. Name of Organising Department : ZOOLOGY
2. Name of Activity : **Collection of flowers and garlands offered to Goddess during Navaratri and Ganesha.**
3. Place of Activity : Durga Mandals in Badnera.
4. No. of Participants : Students – 18, Teachers -02 ,
5. Date of Activity : 5th October, 2019

Details of Activity (In Brief):

During Navratri and Ganesha, which is a Hindu festival dedicated to the goddess Durga and Ganesha, it is customary for devotees to offer flowers and garlands as a symbol of devotion and respect. These offerings are made at temples and altars set up in homes. People often use a variety of flowers, including Marigolds, Roses, and Jasmine, to create vibrant and fragrant garlands. The garlands are meticulously crafted and can be quite elaborated. This flower and garland were thrown by the people anywhere as a waste which later creates pollution. This practice is a significant part of the cultural and religious celebrations during Navratri.

Department of Zoology has taken these initiatives to use these flowers and garlands for eco-friendly treatment like vermicomposting as a source of organic material. They provide a good carbon-to-nitrogen ratio, which is essential for the balance in a compost pile. However, it's important to ensure that the flowers and garlands are free from any non-biodegradable materials like plastic or metal wires. A. J. Gour, makes students aware and devotees that when we throw this flower and garland in water this may cause pollution in water and gets bioaccumulated in animal and human also, causes some serious health hazards to aquatic creatures.

Collection from Temples: Students visited local Ganesh Mandal, Durga Mandals of Badnera during Navratri to collect used flowers and garlands that had been offered to the goddess.

Segregation: The collected flowers were segregated to remove any non-biodegradable materials like plastic or other waste.

Vermicomposting: The organic waste, primarily consisting of flowers and garlands, was then used as feed for a vermicomposting setup.

Vermicomposting Process: Students actively contributed to the setup and maintenance of the Vermicomposting system. They fed the organic waste, primarily consisting of the collected flowers and garlands, to the earthworms.

Outcome of the Programme:

- 1) It reduced the amount of organic waste that would otherwise have been disposed of improperly could be used in local organic farming, promoting sustainable agriculture.
- 2) The activity raised awareness about the importance of responsible waste management and eco-friendly practices.
- 3) Such programs can serve as educational tools, teaching communities about the benefits of composting and sustainable waste management practices.
- 4) It encourages community participation and cooperation in sustainable practices, fostering a sense of collective responsibility towards the environment.

2. Name of Activity : **World Population Day**
3. No. of Participants : **Students- 40, Teachers- 7**
4. Date of Activity : **11th July 2018**

Details of Activity (in Brief):

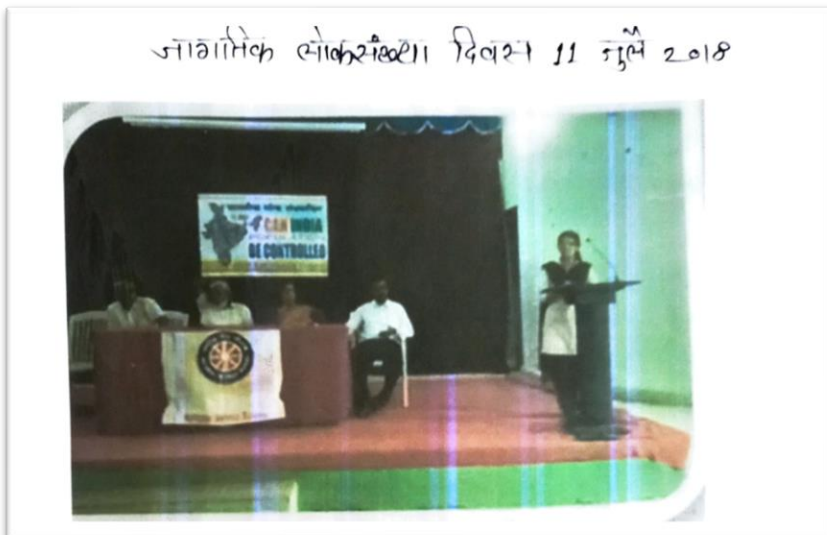

Every year 11th of July is celebrated as a world population day. The programme was conducted by Prof. VishnupantGadhikar.

Department of Economics, Bar. R.D.I.K. & N.K.D. College Badnera organized “**World Population Day**” in collaboration with National Service Scheme and Social Studies Department on 11th July, 2018. Guest Speaker explained about small family and its advantages. He also told the importance of family planning and importance of education in population control. He explained to students that education is the only way to face mass population.

Outcome of the Programme

1. Students get knowledge about bad impact of vast population and importance of small family.
2. Students learnt that mass population also affects natural resources of countries and increase problems like pollution, increasing price of Goods and Services and Poverty.
3. Students understood that high birth rate is due to lack in family planning rate, religious assumptions, waiting for boy child are the reasons behind mass population.
4. Programme inculcate the human values among the student.

बडनेरा,

दि. 11 जुलै, 2018

बॅरि.आर. डी. आय. के. आणि के. डी. महाविद्यालय, बडनेरा अर्थशास्त्र विभागाच्या वतीने जागतिक लोकसंख्या दिवस उत्साहात साजरा करण्यात आला. 11 जुलै हा दिवस जागतिक लोकसंख्या दिवस म्हणून साजरा करण्यात आला.

11 जुलै रोजी झालेल्या जागतिक लोकसंख्या दिवस याचा उद्देश असा आहे की, यामध्ये जगाचा विचार केला आहे, जगभरात दरवर्षी 11 जुलै हा दिवस जागतिक लोकसंख्या दिन म्हणून साजरा केला जातो. या निमित्ताने लोकसंख्या वाढीमुळे निर्माण होणा-या समस्याकडे लक्ष वेधले जाते म्हणूनच त्यावर विचारमंथन करण्यात आले.

या जागतिक लोकसंख्या दिवसाचे महत्त्व स्पष्ट करताना बॅरी. आर. डी. आय. के. आणि के. डी. महाविद्यालय बडनेरा (अर्थशास्त्र विभाग) यांच्यातर्फे लोकसंख्या दिनाच्या कार्यक्रम आयोजित करण्यात आला.

जागतिक लोकसंख्या म्हणजेच एकूण मानवी लोकसंख्या होय. 2011मध्ये जगाची लोकसंख्या 7 अब्ज एवढी होती. आताचा नेमका आकडा माहिती नाही. आता भारताची लोकसंख्या सुमारे 1 अब्ज 34 कोटी एवढी आहे. मुंबई व कोलकाता ही आपल्या देशातील सर्वात जास्त लोकसंख्येची शहरे आहेत. ठाणे जिल्हा देशातील सर्वात जास्त लोकसंख्येचा जिल्हा आहे. 11 जुलै 1987 रोजी जगात 5 अब्जाव अपत्य जन्माला आलं. तेव्हा पासूनच हा दिवस 'विश्व लोकसंख्या दिन म्हणून जगभर पाळला जातो. वाढत्या लोकसंख्येच्या समस्या विषयी समाजातील भरपूर लोकांना एकत्रितपणे काम करायला लावून आंतरराष्ट्रीय स्तरावर विविध प्रकारचे कार्यक्रम राबविले जातात. लोकसंख्यावाढीच्या समस्या सोडवण्यासाठी विविध प्रकारच्या आरोग्य संघटना आणि लोकसंख्याविषयक विभाग एकत्रितपणे काम करतात.

1. Name of Organising Department : Home Economics
2. Name of Activity : **Survey of Pregnant Women Diet**
3. Place of Activity : Govt. Modi Hospital Badnera
4. No. of Participants : Students 31 Teachers 02 Other 01
5. Date of Activity : 7/14/28th September & 5th October, 2018

Details of Activity:

Home Economics Department had conducted a survey on pregnant women at Govt. Modi Hospital Badnera on 7/9/2018,14/09/2018,28/09/2018 & 05/10/2018.

In this survey information about family background, social background, financial condition, and their routine diet in the pregnancy month was collected and analysed.

These pregnant women were guided by students & teachers about their diet, provided the diet chart & prescribed a nutritious food for the good development of child & to maintain the health of mother. Total 31 students have participated for this activity.

Outcome of the Programme:

- Students & Pregnant women from economically weaker background class were made aware about the importance of complete and nutritious diet.
- Inculcate problem solving skill, communication skill, helping skill, human values of social awareness.

1. Name of Organising Department : **Department of Physical Education**
2. Name of Activity : Athletics Summer Camp (16 Days)
3. No. Of Participation : Students – 93, Teachers-03
4. Date of Activity : 15 May 2018 To 30 May 2018 (Extended up to 12 June, 2018)
5. Place of Activity : Divisional Sports Complex Track, Amravati.

Details of Activity:

Athletic summer camp was organized by R.D.I.K. &N.K.D. College, Badnera in collaboration with Academy of Basic Fitness Foundation from 15 may 2018 to 30 may 2018. The camp was organized at Divisional Sports Complex, Athletic (Zilla Stadium) Track Amravati. The camp was undertaken in two batches. The morning batch was from 6:20 am to 8:00 am and the evening batch was from 6:15 pm. to 7:30 pm. Two groups were formed on the basis of age of which one was the kids group where participants were between 8-12 years and the second was the adult group which consisted participants between 13-30 years. Total 93 members participated in this camp which included 35 students of our college, 28 members from the kids group and 30 members from the adult group from outside.

This camp was organized with the aim of providing the basic fitness skills and basic techniques in sports like shot-put, long jump, relay race, jump and throw etc, to increase affection towards athletic and sports and to increase general and specific fitness like speed endurance, ability, flexibility, power, co-ordination etc. which will help them in the future for cracking physical exam (Physical Efficiency Test) in the selection of Police, Military, Forest department, SRPF, CRPF and other such departments and forces.

The coaching was provided by Dr. Atul Patil with the help of the assistant coaches which includes student and alumni players of the college Mr. Komal Singh Baghel, Mr. Shubham Sonone, Mr. Akshay Chavan etc. The medical support for this camp was provided by Dr. Abhijeet Kamble (physiotherapist, Rahat Hospital Amravati).

At the end of the camp test and competition were held to see the performance of the participated members. Gifts were given to kids. The camp was successfully completed under the guidance of Dr. Atul Patil, director of the camp.

1. Name of Organising Department : **Social Science & Department of History**
2. Name of Activity : Voter's awareness and new Voter's registration drive
3. No. Of Participants : Students 20 teachers 06
4. Date of Activity : 15th October, 2018

Details of the activity:

A voter awareness program was conducted on 15.10.2018 for the students who completed 18 years, in the college by the Department of Political Science, History and Economics of the College. The campaign was conducted from 8.10.2018 to 15.10.2018 with the aim of registering new voters. The voter registration form was distributed to the students of the college and after filling it, it was delivered to the concerned office. In this program prof. Vishnupanth Ghadikar, prof. Vaishali Bhakare, prof. Aruna Suryavanshi, prof. Jayashree more, prof. Sachin khedkar, prof. Malokar and 20 student representatives participated in this voters awareness program and registration.

Outcome of the Programme:

1. It encouraged the voters to participate in the democracy by enrolling themselves in the Electoral Rolls and voting at the time of Election.
2. It helped to educate students about the voting rights.
3. It also sought to remove barriers to voting, such as registration processes or ID requirements.

1. Name of Organising Department : **Department of Statistics**
2. Name of Activity : Statistical Survey 2017 – 18 Health Survey
3. Place of Activity : Hinglaspur Taluka-Nandgaon Khandeshwar District - Amravati
4. No. of Participants : Students 35 Teachers 2 Other 2
5. Date of Activity : 9th January, 2018

Details of Activity (In Brief):

As an extension activity of the department (extracurricular activity) during academic year students of B.A. I and B.A. II from Statistics Department carried out Statistical Survey at Village Hinglaspur, Taluka -Nandgaon Khandeshwar, District – Amravati on 9th Jan 2018.

Prior permission of the village Head and Sarpanch of Gram Panchayat-Hinglaspur was sought to carry out the survey. Out of 50 houses students visited 47 houses and collected information with the help of questionnaire. Four groups of students were formed to collect the data. Students collected the information about number of male and female members in the family, their age, education, blood group, hemoglobin percentage, Aadhaar card, skin and eye diseases, etc.

Students counselled and guided villagers about their health problems. They explained importance of hemoglobin and proper diet to maintain proper Hemoglobin percentage. Villagers were advised to follow regular health check-up. Every house should have own toilet which will help to improve environmental conditions.

35 students participated in the survey.

Mr. Bandu Bhagat Sarpanch of the village extended full help and supported to conduct the survey.

Result Obtained –

After analysis of the data collected, final findings of the survey were as followed:

- Total household surveyed : 47
- Total number of persons : 245 Male: 137 (56%) Female: 108 (44%)
- Houses having their own toilet : 30 (64%)
- Not having own toilet : 17 (36%)
- Education Upto 10th Standard : 90 Upto 12th Standard : 49 Graduate : 11
- Persons above 18 years of age : 187
- Having Voter ID Card : 145 (77.54%)
- Not Having Voter ID Card: 42 (22.45%)

- Aadhar Card Holders : 237 (97%)
Not having Aadhar Card Holders: 08 (3%)
- Persons knowing their Blood Group : 15(6%) Not knowing: 230 (94%)
- Persons knowing their Hb Percentage: 12(5%) Not knowing: 233 (96%)
- Persons having Eye diseases / problem: 115 (47%) Not having: 130 (53%)
- Persons having Skin diseases : 52 (21%)
- Persons suffering from Malaria, Typhoid, Dengue, etc.) : 36 (15%)
- Habitual Tobacco Eating persons : 80 (33%)

Outcome of the Programme :

- i. The survey enabled students to learn effective communication, speak, write and listen clearly in person.
- ii. Students were able to differentiate between primary and secondary data.
- iii. Students became familiar with handling, collecting and analysing the data.
- iv. Villagers became aware about health problems and how to protect themselves from diseases.

1. Name of Organising Department : Home economics
2. Name of Activity : **Distributions of Cloth Bags**
3. Place of Activity : Jaistambh Chouk, Badnera
4. No. of Participants : Students 26, Teachers 02
5. Date of Activity : 7th September, 2018

Details of Activity:

In order to maintain an environmental balance, 26 students of Home-Economics sewed cloth bags from waste material and distributed them in the market of Badnera on 07/09/2018 under the guidance of Dr. Lata Hiwase Head of the Department. The students gave a message to customer present in the market use cloth and paper bags instead of plastic. The activity was implemented with the intention of creating awareness of plastic pollution in the society.

Outcome of the Programme:

- Students were made aware about use of cloths bags instead of polythene bags to avoid the pollution.
- Developed entrepreneurial skills among the students.
- Learned how to make the best from waste & avoid pollution & gave same message to the society
- Values of environment conservation are inculcated among the students.
- Students learned the sewing of bags which help them developed entrepreneurship skills.

1. Name of Organising Department : **Department of Physical Education**
2. Name of Activity : Athletics Summer Camp (29 Days)
3. No. Of Participation : Students –127,
4. Date of activity : 02 May 2019 To 30 May 2019
5. Place of Activity : Divisional Sports Complex Track, Amravati.

Details of Activity:

Bar. RDIK & NKD College in association with Academy of Basic Fitness Foundation organized “**Athletics Summer Camp**” during 02 May 2019 To 30 May. The camp was undertaken in two batches. The morning batch was from 6:00 am to 7:40 am and the evening batch was from 5:45 pm. to 7:00 pm. The camp was organized at Divisional Sports Complex, Athletic track Zilla Stadium Amravati. Two groups were formed on the basis of age of which one was the kids group where participants were between 8-12 years and the second was the adult group which consisted participants between 13-30 years. Total 127 members were participated in this camp which included 78 of our college students, 18 members from the kids group and 38 members from the adult group from outside.

This camp was organized with the aim of providing basic fitness skills and basic techniques in sports like shot-put etc. and to increase affection towards athletics and sports and to increase general and specific fitness like speed endurance, ability, flexibility, power, co-ordination etc. which will help them in their future for cracking physical exam (efficiency test) in the selection in the fields of Police, Military, Forest department, SRPF, CRPF and other such department and forces.

The coaching was provided Dr. Atul Patil with the help of the assistant coaches which included students and alumni players of the college Sachin Nanhe, Rashik Varhead, Samiksha Uprikar, Sujit Sarade etc. The medical support for this camp was provided by Dr. Abhijeet Kamble (physiotherapist).

At the end of the camp test and competition were held to see the performance of the participated members and gifts were given to kids. The camp was successfully completed under the guidance of Dr. Atul Patil, camp director.

1. Name of Organising Department : Home Economics
2. Name of Activity : **Educational Tour(Awareness of diet & health)**
3. Place of Activity : Gandhi Primary English School Badnera,
4. No. of Participants : Students 22 Teachers 02 Other 01
5. Date of Activity : 21st December, 2018

Details of Activity (In Brief):

Home economics Department organized an educational Tour at Gandhi Primary English School Badnera on 21/12/2018. B.A. Final year students had participated. Total 22 students interacted with the Principal, Teachers & Gandhi primary Eng School students about their 'diet and health'.

The survey was focused on student's vaccination, Height, Weight and their general health.

Student's diet was taken into consideration and they were informed about healthy eating habits along with food and body hygiene.

Students are actively participated in various school activities like running, quiz, hide and seek, puzzle solving and other games.

The visit was held under the guidance of Dr. Lata Hiwase.

Outcome of the Programme :

- Students of Gandhi primary School were made aware about healthy diet.
- It helped to boost Self-confidence among students.
- Motivated the students to have a healthy lifestyle.
- Improve communication skill.

1. Name of Organising Department : Home economics
2. Name of Activity : **Distribution of Cloth bags**
3. Place of Activity : Market Badnera
4. No. of Participants : Students 42 Teachers 01
5. Date of Activity : 20th February, 2019

Details of Activity:

In order to maintain environmental balance, 42 students of home economics sewed cloth bags from waste material and distributed them in the market of Badnera on 20/02/2019. A message was given to the students to use cloth paper bags instead of plastic bags. This activity was implemented with the aim of creating awareness about the environment of plastic pollution in the society. Students were made aware about how plastic affects environment and this message was spread by students to shopkeepers, vegetable venders, etc. while distributing the handmade cloth bags.

Outcome of the Programme :

- Students get awareness about use of cloths bags instead of polythene bag to avoid the pollution.
- Developed entrepreneurial skills among the students.
- Learnt how the best is prepared from waste & avoid pollution & gave same message to the society
- Values of environment conservation were inculcated among the students.

Students learn the sewing of bags which help them developed entrepreneurships skills.

Mr
Dept of Home-eco.

1. Name of Organising Department : ZOOLOGY
2. Name of Activity: **Collection of flowers and garlands offered to Goddess during, Navaratri and Ganesha.**
3. Place of Activity : Durga Mandals in Badnera.
4. No. of Participants: Students – 18 , Teachers -02
5. Date of Activity : 20/09/2018 & 15/10/2018

Details of Activity (In Brief):

During Navratri and Ganesha, which is a Hindu festival dedicated to the goddess Durga and Ganesha, it is customary for devotees to offer flowers and garlands as a symbol of devotion and respect. These offerings are made at temples and altars set up in homes. People often use a variety of flowers, including Marigolds, Roses, and Jasmine, to create vibrant and fragrant garlands. The garlands are meticulously crafted and can be quite elaborated. This flower and garland were thrown by the people anywhere as a waste which later create pollution. This practice is a significant part of the cultural and religious celebrations during Navratri.

Department of Zoology has taken this initiative to use these flowers and garlands for eco-friendly treatment like vermicomposting as a source of organic material. They provide a good carbon-to-nitrogen ratio, which is essential for the balance in a compost pile. However, it's important to ensure that the flowers and garlands are free from any non-biodegradable materials like plastic or metal wires. Dr. A. J. Gour, makes students and devotees aware that when we throw this flower and garland in water this may cause pollution in water and gets bioaccumulated in animal and human also, causes some serious health hazards to aquatic creatures.

Collection from Temples: Students visited local Ganesh Mandal, Durga Mandals of Badnera during Navratri to collect used flowers and garlands that had been offered to the goddess.

Segregation: The collected flowers were segregated to remove any non-biodegradable materials like plastic or other waste.

Vermicomposting: The organic waste, primarily consisting of flowers and garlands, was then used as feed for a vermicomposting setup.

Vermicomposting Process: Students actively contributed to the setup and maintenance of the vermicomposting system. They fed the organic waste, primarily consisting of the collected flowers and garlands, to the earthworms.

Outcome of the Programme:

- 1) It reduced the amount of organic waste that would otherwise have been disposed of improperly could be used in local organic farming, promoting sustainable agriculture.

- 2) The activity raised awareness about the importance of responsible waste management and eco-friendly practices.
- 3) Such programs can serve as educational tools, teaching communities about the benefits of composting and sustainable waste management practices.
- 4) It encourages community participation and cooperation in sustainable practices, fostering a sense of collective responsibility towards the environment.

1. Name of Organising Department : ZOOLOGY
2. Name of Activity : **Distribution of Guppy fish (Mosquito Fish)**
3. No. of Participants : Students-Nil, Teachers-02, Other-03
4. Date of Activity : 15/08/2018

Details of Activity (In Brief):

Gambusia fish culture project is being run by zoology department. Our college is an authorized center for Anti malaria fish *Gambusia* (Guppy masa) governed by District malaria Department (Urban only) and Amravati Municipal Corporation since the year 2001. It comes under the jurisdiction of Urban Health post Modi Hospital Badnera. These fishes help to control the diseases like malaria, dengue and chicken gunya.

The malaria department often takes the *Gambusia* fish from our college tank for distribution in malaria prone regions. Zoology department also provides the fish to people like govt. Modi hospital or students who approach to the department.

Outcome of the program: -

- 1) By distributing Guppy fish to students and the local community, there is a positive impact on mosquito control. Guppy fish are known for their effective consumption of mosquito larvae, reducing the mosquito population in the area. these fishes help to control the diseases like malaria, dengue and chicken gunya.
- 2) Students have the opportunity to learn about responsible fish care and the maintenance of an aquatic ecosystem. This hands-on experience fosters a greater understanding of environmental stewardship, involving the local society in this eco-friendly initiative promotes community engagement and awareness about the importance of maintaining a healthy environment.

2. Name of Activity : **Workshop on Celebration of Eco-Friendly Festivals.**
3. No. of Participants : Students – 58, Teachers-02, Other -01
4. Date of Activity : 20th September, 2018

Details of Activity (In Brief)

To make the Student aware about the adverse effect of Plaster of paris, chemical paint, thermo-coal and pollution caused due to festival celebration (Durga and Ganesha) department of Zoology in collaboration with Rotary club Amravati organized one day workshop on celebration of eco-friendly festival on **20/09/2018**. Chief Guest of the workshop Mr. Shivray Kulkarni told that all over india especially in Maharashtra people celebrate Shri Ganesha festival with enthusiasm Generally these devotee used idols of plaster of paris having chemical colored. When we immerse these idols in rivers, lakes and other water bodies, these idols do not dissolve in water bodies, as the plaster of Paris is not soluble in water. These idols are painted with various chemical paints which pollute the water. The flowers offered to our deity are also thrown in water body which also pollutes the water and spread bad odour, gets bioaccumulates in animal and human also, it also causes some serious health hazards to aquatic creature.

Mr. Shivray Kulkarni, explained Practice of creating Lord Ganesha idols from Natural Clay, an its positive environmental impact. and urged students to celebrate eco – friendly Ganesh festival by using idols made from shadu or natural clay. Students are also made Ganpati idol from Shadu. students, took an oath to Celebrate the festival in an eco-friendly manner. Avoid the use of non-biodegradable materials and synthetic colors. Promote eco-conscious celebrations in their communities. Spread awareness about the importance of environmental responsibility during festivals.

Outcome of the Programme:

- 1) Students are made aware about the pollution caused by idol prepared from plaster of paris.
- 2) Student got hands on training for making idol from clay.

BADNERA

1. Name of Organising Committee : National Service Scheme
2. Name of Activity : Project Undertaken in Camp
3. Place of Activity : Hinglaspur
Date of Activity : 4-11/01/2019

Details of Activity (In Brief):

In special village camp at Hinglaspur the project of village cleaning, drain cleaning, road cleaning and erosion pit construction for drain water management was undertaken. Students were divided into groups. Each group makes 5 erosion pits to absorb drain water to increase the water level of village. Villagers were co-operative for making erosion pit. The wastewater and drain water management programme succeeded fully

Outcome of the Programme :

- Emphasize the dignity of labour and self-help and the need for combining physical work with intellectual pursuits.
- Encourage students and non-student's youth to work along with adults in rural area for developing their character, social consciousness, commitment, discipline and health and helpful attitude towards the community.
- To awaken and to sensitize the youth as well as rural about cleaning, health, hygiene and social issues.
- Develop the sense of collective working.
- Aware the community to protect water resources for future generation.
