Details of Activity:

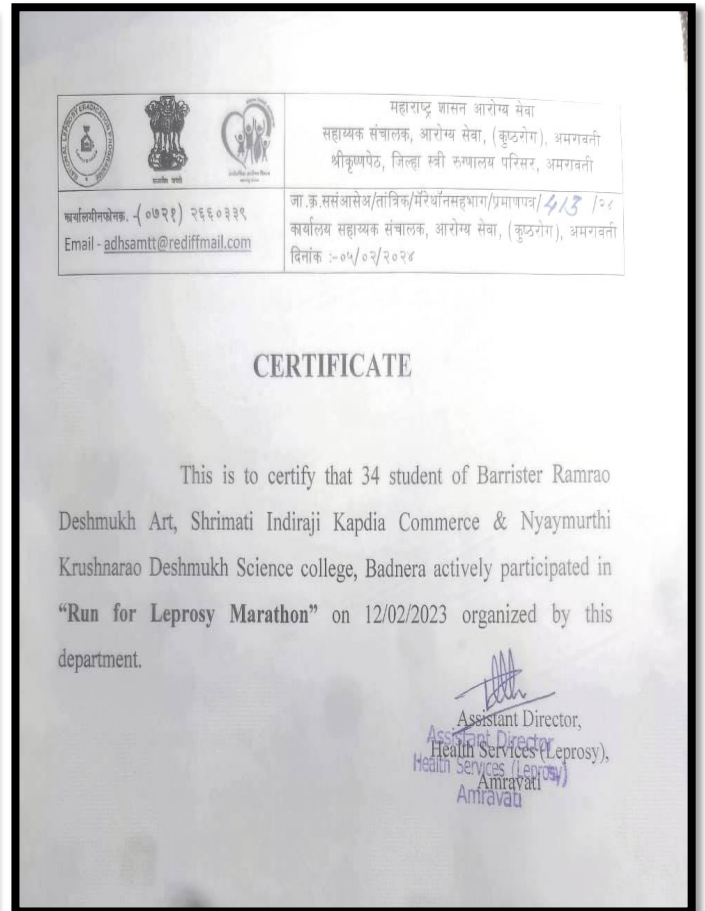

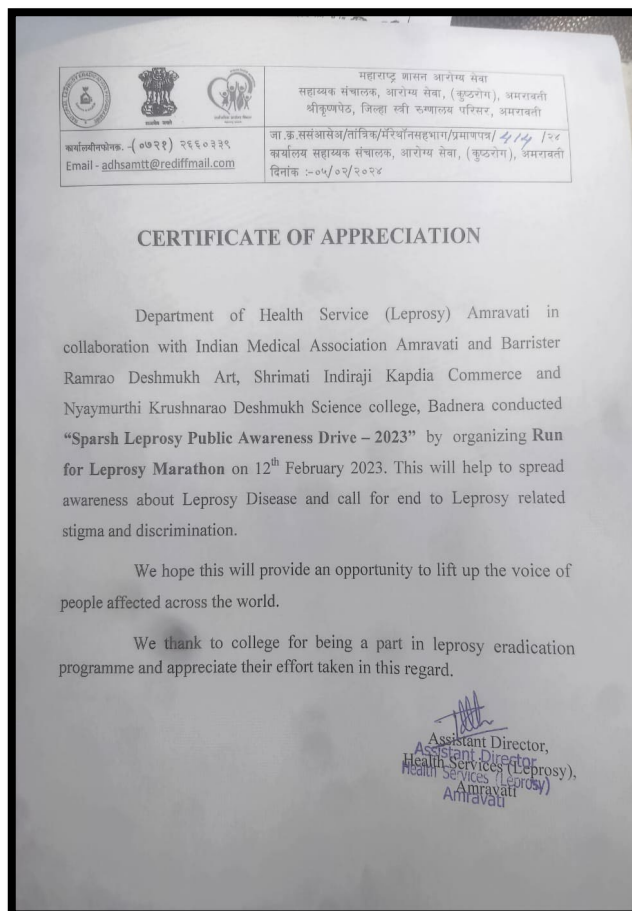

Leprosy, also known as Hansen's disease (HD), is a long-term infection by the bacteria Myco bacterium leprae or Mycobacterium lepromatosis. Infection can lead to damage of the nerves, respiratory tract, skin, and eyes. India is running leprosy eradication programs, the National Leprosy Eradication Program (NLEP) for so many years. Despite this, 120,000 to 130,000 new cases of leprosy are reported every year in India. This is 58.8% of the global total of new cases. This run was organised with the aim to create awareness against the stigma attached to the disease, by making the general community aware that it is a disease spread by a type of bacteria and it can be easily cured. All over the world, people have incorrect and harmful beliefs about leprosy. These beliefs are based on myths and they lead to discrimination against people affected by leprosy. They cause people to hide their symptoms and delay treatment. Superstition like this disease is curse, the result of sin, or punishment from God. You shouldn't touch to leprosy patient because it's highly contagious. Leprosy is incurable Etc. to Eradicate such superstitions from the minds of people and to reduce the rate and eradicate this disease such programs are undertaken by the health mission run by State Government. R.D.I.K. college, Badnera in collaboration with department of health service (Leprosy) Amravati organized "**Run for Leprosy**" of 5 km. on 12th February 2023. Along with 34 students of our college, Men and women of all age groups from the district run participated in. Dr Dilip Pandharpate Revenue Commissioner, Amravati, Dr Manish Rathie President IMA, Amravati. and Dr. R.D. Deshmukh Principal R.D.I.K. college, Badnera, Amravati were present as the chief guests of the program. Total 252 people participated in this event. 53 man and 139 women participated in this run. After the run all the participants were given information about leprosy and about the habits one should inculcate in their day-to-day life to prevent this disease and the measures one should take to cure this disease. The Caps with health mission logo on it were distributed among the people.

Outcome of program.

- It helped to spread awareness about Leprosy.
- It helped in destroying the fear and superstition about the disease from the minds of people.
- It spread information about the availability of the treatment of disease.

5. Date of Activity : 06/08/2022

Details of Activity (In Brief):

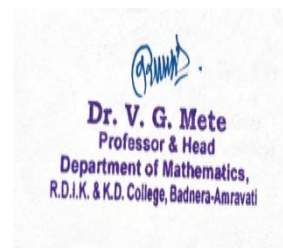

A "University Level Workshop on Research in Mathematics" was held on August 6th, 2022, as per the Memorandum of Understanding (MOU). The workshop was organized in collaboration with the Department of Mathematics at Sant Gadge Baba Amravati University, Amravati, Adarsha Mahavidyalaya in Dhamangaon Rly., and Shri. Dr. R.G.Rathod Arts and Science College in Murtizapur. A total of 133 participants, including research scholars, Ph.D. supervisors, and postgraduate students from various research centers, took part in the workshop.

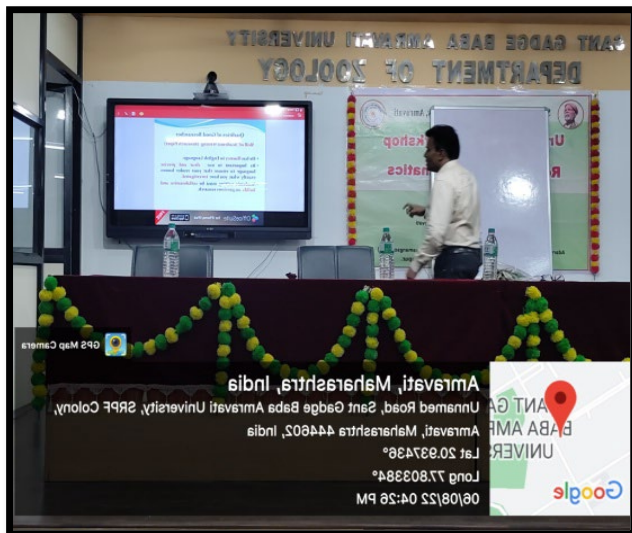

Outcome of the Programme:

- **Knowledge sharing:** This workshop provides a platform for researchers, scholars, and students to share their knowledge, ideas, and research findings in the field of mathematics. This can lead to a deeper understanding of various mathematical concepts and methodologies
- **Collaboration opportunities:** The workshop brings together participants from different research centers and institutions, fostering collaboration and networking opportunities. This can result in potential research collaborations, joint projects, and partnerships in the future
- **Skill development:** Participants can enhance their skills and gain new insights into research methodologies, data analysis, problem-solving techniques, and more.
- **Feedback and improvement:** Participants can receive valuable feedback on their research work from experts and peers during the workshop. This feedback can help them refine their research methodologies, identify areas for improvement, and enhance the quality of their work
- **Dissemination of research:** The workshop provides a platform for researchers to present their work and findings to a wider audience. This can lead to the dissemination of research outcomes, potential publications, and increased visibility within the academic community

'Maths can be delightful if learnt in context of its practical application'

Amravati Bureau
AMRAVATI, Aug 13

"MATHEMATICS as a subject can also be delightful if its practical application is considered during the teaching-learning process and also while doing research," said Dr Dilip Malkhede, Vice-Chancellor of Sant Gadge Baba Amravati University (SGBAU).

He was speaking at the workshop on Research in Mathematics organised jointly by Department of Mathematics, Department of IQAC, RDIK College, Badnera, Adarsh College, Dhamangaon Railway, and Dr R G Rathod College of Arts and Sciences, Murtijapur.

Dr Malkhede also explained the practical application of various concepts in Maths and gave a fundamental advice that students should acquire at least one computer language for research while learning Maths.

Dr Kishor Adhav, former professor and Head of Department, Department of Mathematics, Central University, Amarkantak, Dr Sandeep Vaghule, Director of IQAC, SGBAU, Dr Vilas Raut, Principal of Mungaji Maharaj College, Darwha, and Dr Vijay Mete,

Dr Dilip Malkhede speaking at the workshop.

Head of Mathematics Department, RDIK College, Badnera were on the dais.

Dr Kishor Adhav guided on use of new theories for research in Mathematics.

Dr Sandeep Vaghule spoke on Intellectual Property Rights (IPR) while Dr V R Patil, Head of Mathematics Department, College of Arts and Science, Chikhaldara, guided on how to write an excellent research paper. Dr Sanjay Bhojar from Phulsingh Naik College, Pusad, spoke on qualitative research.

Dr Hemlata Nandurkar, Head of Department, and Vinod Nagle, Assistant Professor from Department of Zoology, SGBAU, as well as researchers, mentors, research callers and post-graduate stu-

dents from various affiliated colleges were present in large numbers for the workshop.

Dr Vidya Sharma, Dr Mohini Ugle, Shital Nerkar, Dr Samadhan Munde and others expressed their views on the occasion.

Dr Sudhir Bayaskar, Head of Mathematics Department, Adarsh College, Dhamangaon Railway, delivered introductory remarks while Dr Anil Nimkar, Head of Mathematics Department, Dr R G Rathod College of Arts and Science, Murtijapur, proposed a vote of thanks.

Akshay Dete, Chandrasekhar Kale and all the students of Amravati University's Mathematics Department worked tirelessly for success of the programme.

Details of Activity:

Bar. RDIK College, Badnera (Railway), PRDK College Nandgaon Khandeshwar, Mahila College Chandur Railway and Indirabai Meghe College Amravati held Seminar on 19 September 2022. The topic of the seminar was "Travel of Indian Democracy." The President of the seminar was principal Dr. R. D. Deshmukh and Chief Guest of the Seminar Was Dr. Manohar Patil, Prof. Sambhaji Patil and The Dean of the University Prof. Bansod. The Subject expert of seminar was Dr. Pramod Pawar Said "Equality, Liberty and Justice is targeting point of Indian Democracy. Democracy is the political thought it also concepts which is related to formation of welfare state. In our country last 75 years travels of Democracy there where so many vertical and horizontal movements create as per the situational development of Democracy concern."

As per Expert remark Government Statesman and Stakeholder are responsible element of Democratic Political System. In India however there are some lacunas in the process building up of Nation. Unemployment, Communalism and inequality are major issues of ahead in our Democratic System. Responsible citizen must have proper interaction between state and Stakeholder.

Outcome of the Programme:

1. Student got information about the process of Democracy.
2. Students were aware about the need of the society to make citizen vigilant.
3. Student came to know that there must be transparency in Empowerment and Skillful (Capable) People in Democracy.
4. Students were understood the concept of central Government, State Government and Local (self) Government.

The Chief Guest of this program was Dr. P. H. Suryavanshi. He explained the importance of election and importance of Polling (Voting). Voting is our national duty. Government of India decided to celebrate 25th January as a “**National Voters Day**” every year. The main motive of celebration of National Voters Day is to facilitate Enrolment of voters, especially the newly eligible young voters.

My Vote is my Future – Power of one vote is expressed through creative expression. Such program taps into the talent and creativity of people, while also strengthening Democracy through their active involvement. This program aims at celebrating ideas and withdraw their prejudices related to election and its system.

Outcome of the Programme:

1. Students interest increased in participating in the election Process.
2. Students were Aware about election system and its way of working.
3. Students came to know the importance and power of their one vote.
4. They understood that the voters who elect their representatives have the right to question anything that goes wrong.

NATIONAL HISTORY CONFERENCE

A National history conference was organised on the occasion of Chhatrapati Shivaji Maharaj Jayanti on 19th February, 2022 by the department of history to celebrate the Golden jubilee year of R.D.I.K. college run by Vidarbha Youth Welfare Society. On the topic “Inclusiveness of Shivaji maharaja” Ambedkarite History congress and our college jointly conducted the conference through virtual mode. In this conference 278 scholars of different states, research enthusiasts and students were present. Apart from Shivaji Maharaja life and works discussion was held on his concepts and policy on social matters and thus achieving the aim of conveying information to the society.

As scheduled, the conference started at 11 am through ZOOM. The conference was inaugurated by the Head of History and Archaeology Department of Mumbai University and President of Ambedkarite History Congress Dr. Sandesh Wagh. Dr. Sandesh Wagh shed light on many aspects of Shivaji Maharaja’s Personality. It is imperative for every history student to know about his work. Also, the unpublished works of Maharaja Should be searched and light should be thrown on the neglected works of Shivaji maharaja. Such appeal was made by him in the conference.

The power speech of this inaugural session was done by Dr. Chandrakant Chavan of Punyashlok Ahilyabai Holkar University, Solapur. During the creation of Swarajya by Shivaji Maharaja. He tried to bring the class system and caste system closer and thus established his dream of Swarajya. Keeping aside the society of Bramhins and Kshatriyas who have monopoly of education and protection he took strong soldiers to fight. Those who were not allowed to see the weapons were given weapons to fight. Together with all social class he raised the flag of swarajya. At the same time, praising the work done by him for the benefit of the farming class who are the backbone of the economy.

Principal R.D. Deshmukh expressed his opinion on Shivaji Maharaja's inclusivity and Swarajya. Dr. Vaishali Bhakare Head of History department and organiser of the conference explained the outline, purpose of the conference and introduced the chief guest. The compeering was done by Prof. Pooja Deshmukh and vote of thanks was done by Prof. Sanchita Pimpale.

In the first session of the conference the keynote speaker was Dr. Zakir Pathan President of Marathwada History conference. He spoke on atharapagad caste and Shivaji Maharaja. He gave information of all the Bahujan elements and the struggle. He shared his own opinion at the end of his speech.

The chairperson of this session, Dr. Sukhveer Singh Head of the history department of the government college in Haryana spoke about Shivaji Maharaja's scientific approach. This session was moderated by Dr. Pooja Deshmukh and Dr. Pankaj Dindokar expressed thanks.

The main speaker of the third session was Rashtrasant Tukdoji Maharaj, a member of the History study board of Nagpur University Dr. Sharad Uvare spoke about "Shivaji Maharaja and his followers" he gave a detail analysis of Shivaji's role in administration and his military system. He also discussed in detail about the importance of Shivaji Maharaja's arbor and fort administration and the contribution of other religious soldiers. President of this session Dr. Ajit Kumar, Assistant professor at Shantaram Santa Dhama college, Delhi. He discussed about tactics Shivaji Maharaja Used during the establishment of swarajya. This session was moderated by Dr. Bhavana Khobragade and the librarian of the college Prof. Bhushan Dayawate gave the vote of thanks.

The chief guest and speaker of the concluding session, Sant Gadgebaba, Dr. Hemant Deshmukh, Controller of Examinations of Amravati University, highlighted the administrative qualities of Shivaji Maharaj. He said that Shivaji Maharaj was an excellent

manager scholar and a gentle personality, studying the nuances of Shivaji's administration, his vision and management skills are still inspiring today. At the same time, he shed light on fort administration and armor administration.

The second person of this session and the guest Sant Gadgebaba Maharaj Amravati University Abhi Sabha member Ajay Deshmukh gave a detailed discussion about Shivaraya's tact, agility and decision-making ability, also gave special information about Shivaji's religious co-religion policies and broader views on women. The session was chaired by Dr. Santosh Bansod Sant Gadgebaba Amravati University, President of History Board and Secretary of Ambedkarite History Congress gave a detailed description of Shiva Raya's spy system.

Shital Rathod was the moderator of this session, and Dr. Vaishali Bhakare, who organized the one day national history conference expressed vote of thanks. President Dr. Nitin Dhande expressed his gratitude to the executive board of the organization for implementing the concept of organizing this conference. This history conference was held in all the three languages, English, Marathi, and Hindi, by 5:30 in the evening. This Virtual National History Conference was successfully concluded under the guidance of Dr. RD Deshmukh, Principal of the College.

5. Date of Activity : 22nd December, 2020

Details of Activity (In Brief):

As per MOU, on the occasion of 'National Mathematics Day' one day workshop on NET/SET guidance in mathematical sciences was organized on **22nd Dec., 2020** in collaboration with department of mathematics, Sant Gadge Baba Amravati University, Amravati, Adarsha Mahavidyalaya, Dhamangaon Rly. and Shri. Dr. R. G. Rathod Arts and Science College, Murtizapur. About **180** members including Faculty members and Research Scholars, PG students from various colleges participated in the workshop. Key Note address was given by Dr. G.S. Khadekar, Dean Science and Technology, RTM, Nagpur University, Nagpur. In this workshop, the resource persons guided the students by giving various examples and tricks. This programme was carried out in three sessions.

Outcome of the Programme:

- This workshop will help the students to make them ready to face the challenging questions, thereby crack the examination.
- Participants got motivated to clear the CSIR-UGC NET / SET Exams.
- Students are motivated to organize such type of useful workshops in future.

About Workshop

December 22, the birth anniversary of India's famous mathematician Srinivasa Ramanujan, is celebrated as National Mathematics Day. Srinivasa Ramanujan was born in 22 December 1887 in Erode, Tamil Nadu. At age 12, despite lacking a formal education, he had excelled at trigonometry and developed many theorems by himself. Srinivasa Ramanujan is a name to reckon among pioneers in Mathematics. Srinivasa Ramanujan became a Fellow of the prestigious Royal Society in 1918. Though he passed away aged just 32, his talent and research left an indelible mark on Mathematics. The loss of Ramanujan at such a young age was certainly a blow to the scientific community.

So to develop Mathematical and Analytical temperament, Problem solving skills and positive attitude towards learning the Mathematics among the students our University has started a program of National Mathematics Day from 2012 for the Development of Mathematical culture in our region. To prepare the students for competitive examinations such as NET and SET this workshop has been organised. The organisation of this workshop has been a regular activity on National Mathematics Day since last 5 years by Department of Mathematics Sant Gadge Baba Amravati University, Amravati in collaboration with various colleges. During the National Mathematics Day celebration we are organising web National Conference, National workshop as well as Essay competition and Quiz competition for P.G. Mathematics students of various colleges of Sant Gadge Baba Amravati University, Amravati.

Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly), and Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, from **February 5–15, 2021. 199 students participated in this event.** All winners have been felicitated online by sending certificates and prizes.

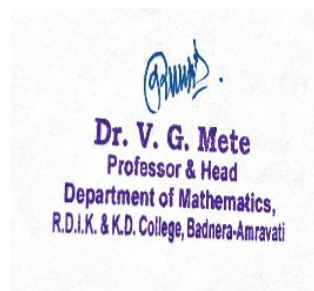

The competition is divided into junior and senior divisions. For the essay competition, **161** junior division participants and 38 senior division participants from different Sant Gadge Baba Amravati University, Amravati affiliated colleges participated. Out of the 29 essays in junior division, 27 essays in senior division were selected for the final round.

Outcome of the Programme:

- students will be able to communicate mathematical ideas, reasoning and findings.
- student will be able to use appropriate mathematical language (notation, symbols, terminology) in both oral and written explanations
- use different forms of mathematical representation (formulae, diagrams, tables, charts, graphs and models)
- Students can "think outside the box" or from diverse perspectives by participating in competition.
- Student received certificate of participation.

About Essay Competitions

Knowledge has become the main wealth of nations, society and people. Hence, investing in research, innovation and education is now the key-leverage for competitiveness and prosperity in country. At the heart and foundation of this challenge, mathematics plays a crucial role as it provides a logically coherent framework to society or mathematical community. The role of mathematical sciences in civilization has been of central importance for centuries. The current trend to a global economy and a knowledge society has placed information and innovation technologies, increasingly dependent on scientific research driven by Mathematics. In order to increase the knowledge of the subject of Mathematics as well as to apply the knowledge gained in Mathematics in all fields, it has been decided to organize an essay competition on some of the topics of Mathematics. The Competition is divided into Junior and Senior divisions.

Details of Activity (In Brief):

The "National e-Conference on Recent Mathematical Innovation Skills in 21st Century", held on March 27, 2021, was a collaborative effort between the Department of Mathematics, R. D. I. K. & K. D. College, Badnera (Rly.), and IQAC, Sant Gadge Baba Amravati University. Out of a total of 348 participants, 82 got the opportunity to present their papers at the conference.

Link: <https://www.youtube.com/live/F5cEMiQJhL0?si=xIJSqUdFQMBSt3Tc>

Outcome of the Programme:

- **Knowledge exchange:** The conference provided a platform for researchers and scholars to exchange knowledge and share their recent mathematical innovations in the 21st century
- **Networking:** Participants got the opportunity to connect and network with fellow researchers, professionals, and academicians in the field of mathematics. This facilitated future collaborations and partnerships.
- **Paper presentations:** A total of 82 participants presented their papers at the conference, allowing them to showcase their research findings and ideas to a wider audience.
- **Discussion and feedback:** The conference fostered meaningful discussions and feedback on the presented papers, promoting critical thinking and improvement in the quality of research work.
- **Dissemination of knowledge:** The conference served as a platform for disseminating new mathematical innovation skills and techniques to a larger audience

CONCEPT OF CONFERENCE

Mathematics is the search for truth and wisdom. It is considered as a backbone of Science & Technology. It has been confirmed that celebrating National Mathematics Day activities from 2012 in India and 2013 all over the world. The objectives of this conference is an earnest attempt to create the right interface for the exchange & dissemination of new ideas & techniques among the young researchers in various fields of Mathematical Sciences. The researchers and students will share their knowledge with senior researchers. The conference will provide an opportunity for fruitful interactions amongst workers in different fields of mathematics and those employing mathematics as tool in different fields of knowledge. The program consists of plenary invited talks as well as contributed paper presentations on various aspects of different research areas. An eminent academicians will deliver their plenary talk on recent research trends & skills in mathematics. We feel immense pleasure in inviting you and your associates to participate in the Conference on **"Recent Mathematical Innovation & Skills in 21st Century"** schedule to be held on Saturday March 27, 2021.

CALL FOR RESEARCH PAPERS

Original research papers on any/ all aspects of above specified topics are invited along with recorded video presentations of latest abstract. Participants can submit their research papers in MS-Word format in Times New Roman with size 12 pt and line spacing 1.5 not more than 2500 words along with recorded video presentation of latest abstract should reach the organizers by email as earliest. Please send your research papers & recorded video (You Tube link) on rmis2021conf@gmail.com on or before 22nd March, 2021 till 3.00 pm.

ABOUT SGBAU & DEPARTMENT OF MATHEMATICS

Sant Gadge Baba Amravati University was established on Maharashtra Day, the 1st May, 1983 to cater mostly the educational needs of rural population of western Vidarbha with the vision of creating a human Resource capable of converting challenges into opportunities through imparting training to youth in various aspects of skill development for all dimensions of higher teaching-learning process towards making of the learners; the ideal citizens, the academic leaders and the global entrepreneurs to represent the Leader India in the 21st Century. The university has its jurisdiction within five districts of Vidarbha viz. Amravati, Akola, Yavatmal, Buldana and Washim. It is noteworthy to state that the University has a lush green campus of 447 acres with 29 Teaching Departments, a conducted Model Degree College at Buldana.

The University has been re-accredited (3rd Cycle) by NAAC in 2016 with "A" grade (CGPA 3.07).

The department of Mathematics was established in 1990 with major objective of promoting Post – Graduate studies and research. The department offers M.Sc. & Ph. D. Programmes. The main trust area of research is Relativity & Cosmology and all till to-date 36 scholars have been obtained their Ph. D. degree. The department has successfully completed two research projects sponsored by the UGC, New Delhi. Eleven students of the department have qualified NET/SET/GATE and one research scholars awarded Ph. D. degree under Inspire Fellowship DST, New Delhi.

ABOUT R. D. I. K. & K. D. College & Department of Mathematics

R. D. I. K. & K. D. College, Badnera Rly., a multi-faculty, grant-in-aid institution, offering UG, PG and Ph.D. programmes, affiliated to Sant Gadge Baba Amravati University, Amravati was started by Vidarbha Youth Welfare Society, Amravati with a vision to make higher education available to the underprivileged sections of society in the vicinity of Badnera Rly. It has three major streams- Arts, Commerce & Science. The competent, efficient, dedicated and well-qualified staffs with the highest academic qualification, a far-sighted visionary management and good infrastructure have contributed to making it an excellent centre of higher education. It has always been the prime focus of the college to provide students the ambience for learning and personality development. The college has been re-accredited by NAAC in 2017 with "B++" grade (CGPA 2.78).

The Department of Mathematics was established in the year 1991 with major objective of promoting Under graduate as well as Post – Graduate studies and research. The department offers B. Sc., M.Sc. & Ph. D. Programmes. The main trust area of research is Relativity, Cosmology and Integral Transform and all till to-date 04 scholars have been obtained their Ph. D. degree. The department has successfully completed two research projects sponsored by the UGC, New Delhi. One student of the department has qualified SET and two research scholars are working under Inspire & JRF Fellowship DST, New Delhi.

WHO CAN APPLY

The conference is multi-disciplinary and interested Faculty Members, Research Scholars, PG students, etc. are eligible to participate. Registration is free. Please register yourself for the conference.

Indira Gandhi Kala Mahavidyalaya, Ralegaon
Dist. Yavatmal

Dear Sir,

I am glad to know that the department of mathematics, Indira Gandhi Kala Mahavidyalaya, Ralegaon is organizing university level seminar competition for U.G. students on "Algebra" in collaboration with department of mathematics and mathematics teachers association, Sant Gadge Baba Amravati University, Amravati on Saturday 1st February 2020.

I am deputing following five students of our college for the participation in the seminar competition. Please allow them to participate in the said seminar competition.

1. Ku. Vrushali Keshrao Datir, B.Sc.-III
2. Ku. Rupali Vijayrao Pokale, B.Sc.-III
3. Mr. Piyush S. Chawale, B.Sc.-III
4. Ku. Shital Narendra Khade, B.Sc.-II
5. Ku. Ruchika Subhash Khadase, B.Sc.-II

I wish this academic activity all success.

Thanking You.

Yours faithfully
